If at any time you quit any other fraternal beneficiary society, you get nothing. Lose all you have paid in. Not so with the Oregon A. O. U. W. You can either take your reserve in cash or a paid up policy as an extended insurance. You cannot lose in the A. O. U. W. Try it and be convinced.

THE PALM GROVE

C. Truitt has christened his place of business, Palm Grove Confectionery and Ice Cream Parlors. He received some large palm trees from Portland the latter part of last week and these are used to beautify the rooms. Certainly he has a good, pleasant resort and a place good enough for any one to visit.

Besides the palms he has pots of flowers and plants neatly arranged to make the place beautiful and attractive.

Independence Lodge No. 22 A. O. U. W. held a lively session last Monday evening. Several applications were presented and accepted. The old time feeling is taking hold of the members and they are determined to make the present campaign a successful one. The membership have awakened to the fact that the A. O. U. W. offers the one guaranteed policy written by a fraternal company, which guarantee is backed by more actual reserve per capita than any other society in the United States.
