NEWS FROM OTHER TOWNS

MONMOUTH ITEMS

News from State Normal City Gathered at Random.

A few weeks ago the Monmouth Real Estate Co. sold to W. S. Hinkle, of Goldendale, Wash., a fine 168 acre farm situated four miles west of here. He was so well pleased with the place that he wrote his friend, Mr. W. B. Ramsey, of his excellent purchase and advised him to set out and come here. This, Mr. Ramsey lost no time in doing and a few days ago purchased a farm adjoining from the same company. As a result of this movement at least seven families are thinking of selling out in Washington and coming to Monmouth where these men say the land is better and also cheaper. If the other families are of the same class as those of Mr. Hinkle and Mr. Ramsey, they will surely be welcomed by the people of Monmouth.

Friday evening the ladies of the Monmouth High School will give a basket social in the Normal School building the proceeds of which will go toward a fund to secure a loving cup for A. H. Craven. Mr. Craven has coached both the boys and the girls basket ball teams this winter and has had excellent success in the work. A token of appreciation is certainly in order.

Wednesday evening a representative from all the towns in the county met at Rickreall to discuss matters relative to the big picnic, which is to be held in that place on June 3rd. The program was gone over and the necessary committees were appointed. This picnic will probably be the largest in the county this year as the graduating 8th grade pupils have combined with the Artisans to make it a grand

success. The program in the morning will be devoted to the graduating 8th graders and it is here that they will be presented with their diplomas. There will also be excellent music and speeches by prominent men.

In the afternoon, the program will be in charge of the Artisans and any one who knows their aptitude for fun, will not doubt a good time. The lodges from Salem, Dallas and Rickreall will be especially represented.

Professor Charles O. Hargrave of Portland, will spend one day of the week in Independence where he will give lessons on the piano to a class of advanced pupils.

Its Easy to go Wrong

ON THE FURNITURE QUESTION, and many and many a housekeeper has done it. Most of them do it by means of mail order catalogues. In it they see pictures of beautiful furniture along with wonderful stories of cheapness. And they never stop to reflect that things are so fixed in this world that much cannot be bought for little. Furniture, of all things in the world, cannot be satisfactorily bought without an examination. We never tire of explaining all about the goods that we sell, and after you have made a selection you can be assured that what you purchase will make good in long service.

SOME OF OUR CLAIMS

We don't believe you can find a better all round place to fit out the home than right at this store. We don't believe that you can find a place that will deal more fairly than we will. We don't believe that, dollar for dollar, you can do quite as well anywhere else.

THESE ARE OUR CLAIMS, TO PROVE THEM IS OUR AIM. Will you give us an opportunity to do so the next time you are needing something in our line?
