IT FELL FLAT
 The Boom for Concrete Pavement in Albany Had Nothing Behind It.
 ALBANY, Ore., May 11.—The pavement scare in Albany is over. Four or five years ago Albany adopted asphaltic with which to pave her streets, and has been using it generally ever since, with the result that several miles of this pavement are now in use. No expression of dissatisfaction or complaint had been heard until this year when someone started the cry that "Concrete pavement is better."
 Finally to settle the matter definitely and make sure that asphaltic pavement is the right one to use the council sent a committee on a trip of investigation.
 Among the cities visited by this committee was Salem, and speaking of their visit the State man says:
 "It is evident that the city fathers of Albany are determined to give the city the best there is for the money in the line of paving. The visitors expressed themselves as delighted with the Capital City's asphaltic streets and commended the rapidity with which the city is making street improvements. The party left for Portland in the afternoon.
 The party arrived home last evening on the 9:40 train. They made a trip of about forty miles in automobiles over the city of Portland and likewise Salem, and two or three other towns which they visited.
 The writer talked with each of the gentlemen and without exception the members of this committee have returned home fully satisfied that asphalt has been and now is using the best pavement. They unqualifiedly renewed the movement that was started here this spring in favor of concrete, which movement was the cause of their having to take this trip.
 Their finding against concrete was conclusive.

 May Not Return.
 If current reports are true concerning Homer Hicks, who left here with his bride the first of the week on a honeymoon, he may not return to Independence.
 It is alleged that Mr. Hicks received money from Ed. Owen at Portland, giving him his personal check on the Independence bank, and it has since developed that the young groom has never deposited money at that institution.
 Hicks was married here Sunday and with his bride departed immediately for Portland. It was expected that they would return and make their home in this city, but from what can be learned he has left Portland and his whereabouts are unknown. He has been engaged as bar tender for Walker and Whitney since the first of the year, and has found numerous friends in the city who are surprised at the reports which have been in circulation since he left.
 Expression of Gratitude.
 The managers and officers of the Public Library Association desire to thank all who assisted in making the "Benefit" given at Craven & Moore's store, Saturday, a success. Especially are thanks extended to Craven & Moore, who so kindly placed their artistic ice cream parlor's service, etc., at their disposal, besides donating all sodas and other drinks; also to the Enterprise for advertisements, and to the ladies who donated cakes. The only expense was for ice cream, and \$27.30 was cleared for the benefit of the library.

 Mr. and Mrs. M. Mervin entertained the whist club at their pleasant home Wednesday evening.

How to Tell if Your Hair is Diseased.
 Even if you have a luxuriant head of hair you may want to know whether it is in a healthy condition or not. 98 per cent of the people need a hair tonic.
 Pull a hair out of your head; if the bulb at the end of the root is white and shrunken, it proves that the hair is diseased, and requires prompt treatment if its loss would be avoided. If the bulb is pink and full, the hair is healthy.
 We want every one whose hair requires treatment to try Rexall "66" Hair Tonic. We promise that it shall not cost anything if it does not give satisfactory results. It is designed to overcome dandruff, relieve scalp irritation, to stimulate the hair roots, tighten the hair already in the head, grow hair and cure baldness.
 It is because of what Rexall "66" Hair Tonic has done and our sincere faith in its goodness that we want you to try it at our risk. Two sizes, 50c. and \$1.00. Sold only at our store—The Rexall Store.
