

A GRANDMOTHER MAY NOT BE AS SPRY AS SHE USED TO BE, BUT SHE IS IN CLOSE TOUCH WITH HER WORLD FOR ALL OF THAT.

The Telephone enables her to make as many calls as she pleases, and in all sorts of weather. Formal gatherings have their place, but it is the many little intimate visits over the telephone that keep people young and interested. Grandmother's telephone visits do not stop with her own town. The Long Distance Service of the Bell Telephone takes her to other towns, and allows relatives and friends to chat with her although hundreds of miles away.

Some of these fine days someone will be fined for speeding their auto through our streets. Most of the car owners observe our law of eight miles an hour, but frequently an auto comes through town so swift that a little child or dog would be run down without the knowledge of the driver, to say nothing of other possible accidents.

Miss Cora Rossitter, one of our teachers, went to Eugene Monday to remain during the summer.

Mrs. P. E. Chase returned from a week's visit with her sister, Mrs. M. A. Rickard in Corvallis.

The base ball game between Rickreall and the local team resulted in a victory for the former. The score was 19 to 9.

The cross walks on College St. will all soon be made of cement. The one just finished is a credit to any town. It was made by Coquelotte Brothers of Independence.

After grading and rolling the roads in our district the engine and outfit has been taken to Dallas to work on the roads west of that town. Our roads are now in fine condition, due to the good management of M. M. Jones, the road supervisor.

WATCHES

F663.

About Buying a Watch—We like to see people pleased; when they buy a thing it's a pleasure to see them more satisfied the longer they use it. We are watch merchants to be sure, but what is more, we are watch specialists, watch lovers, if you will permit the expression, for a watch is not a piece of mere merchandise to us. It is a living, pulsing thing—an example of the most exquisite handicraft of human ingenuity.

Cleanliness and Caution

There is nothing that will spoil your watch quicker than dirt and old, rancid oil. Cleanliness and caution is economy in a timepiece. The delicate parts doing indescribable work will soon wear themselves to ruin if permitted to run in accumulating dirt and without oil.

Come in and ask for my opinion. It will cost you nothing. All work guaranteed.

Its Easy to go Wrong

ON THE FURNITURE QUESTION, and many and many a housekeeper has done it. Most of them do it by means of mail order catalogues. In it they see pictures of beautiful furniture along with wonderful stories of cheapness. And they never stop to reflect that things are so fixed in this world that much cannot be bought for little. Furniture, of all things in the world, cannot be satisfactorily bought without an examination. We never tire of explaining all about the goods that we sell, and after you have made a selection you can be assured that what you purchase will make good in long service.

SOME OF OUR CLAIMS

We don't believe you can find a better all round place to fit out the home than right at this store. We don't believe that you can find a place that will deal more fairly than we will. We don't believe that, dollar for dollar, you can do quite as well anywhere else.

THESE ARE OUR CLAIMS, TO PROVE THEM IS OUR AIM.

Will you give us an opportunity to do so the next time you are needing something in our line?
