

A GRANDMOTHER MAY NOT BE AS SPRY AS SHE USED TO BE, BUT SHE IS IN CLOSE TOUCH WITH HER WORLD FOR ALL OF THAT.

The Telephone enables her to make as many calls as she pleases, and in all sorts of weather. Formal gatherings have their place, but it is the many little intimate visits over the telephone that keep people young and interested. Grandmother's telephone visits do not stop with her own town. The Long Distance Service of the Bell Telephone takes her to other towns, and allows relatives and friends to chat with her although hundreds of miles away.

Its Easy to go Wrong

ON THE FURNITURE QUESTION, and many and many a housekeeper has done it. Most of them do it by means of mail order catalogues. In it they see pictures of beautiful furniture along with wonderful stories of cheapness. And they never stop to reflect that things are so fixed in this world that much cannot be bought for little. Furniture, of all things in the world, cannot be satisfactorily bought without an examination. We never tire of explaining all about the goods that we sell, and after you have made a selection you can be assured that what you purchase will make good in long service.

SOME OF OUR CLAIMS

We don't believe you can find a better all round place to fit out the home than right at this store. We don't believe that you can find a place that will deal more fairly than we will. We don't believe that, dollar for dollar, you can do quite as well anywhere else.

THESE ARE OUR CLAIMS, TO PROVE THEM IS OUR AIM.

Will you give us an opportunity to do so the next time you are needing something in our line?
