SOCIALIST PICNIC

The committee arranging for the Fourth of July picnic will have the ground cleared and in good shape on time. One object of the picnic is to entertain the children in a suitable way, and instill in their mind the importance of this date in our nation's history. Another object is to pass resolutions for the celebration of the fourth of July in 1912 in a proper manner. We hope the people of Independence will come out prepared to spend most of the day. Monday, July 2, at 12 o'clock noon, we would like to meet all of the children that desire to contest for prizes in recitations, at the east steps of the public school building. On the Fourth dinner will be served on the grounds at noon. Bring your baskets well filled and a cup. We will furnish plenty of coffee and lemonade free. Goodenough Committee.
