Messrs Bice and Calbreath, who have been looking for their horse since the first day of the races, at last located her over in Dallas. It seems that the horse had gotten out of the barn and, being scared by a passing auto, at once vanished. Every inquiry was made in vain until a friend, Mr. Brown, phoned that he had seen her over in Dallas. Mr. Bice at once went over and found that the horse had been traded to Mr. Isaac Phillips and sheriff Grant are looking for one, C. R. Bynum of McMinnville. Upon Mr. Bice's claiming the horse, however, Mr. Phillips at once turned her over to him and now Mr. Phillips and sheriff Grant are looking for one, C. R. Bynum of McMinnville, by whom the horse was traded to Phillips and to whom Phillips gave a check for the \$20.

What came nearly being a catastrophe was narrowly averted on the fourth. The residence of Mr. Lawn Travis caught fire about noon and, through the efforts of the family and the neighbors, the fire was quickly extinguished. Part of the roof around the chimney was burned, but further than that there was no damage done. The fire department was called out after the fire was under control, and they are to be congratulated on the shortness of the time required to get the fire carts to the scene of the fire. In a good deal less than ten minutes from the time that the alarm was sounded the department was on the ground, but by this time the fire was out.

BAPTIST YOUNG PEOPLE PICNIC

The Baptist Young People's Club invited the members of the Church and the friends of the members to join them in celebrating the Fourth of July.

On the morning of the Fourth about 30 of the members and about that many friends of the Club, met in the fir grove near the place where the Government has been doing some work on the river.

THE INDEPENDENCE MILITARY BAND.

The Independence band, which was permanently organized about the first of April, is, or has been so far, a great success for the city.

During the races the band played on six different occasions and the music was of a class and quality that showed a great amount of musical judgement and hard individual, as well as unison, practice.

The band, as is characterized by its name and the city to which it belongs, up to date in every way and is indebted to no one for a contribution of any description except for the use of the hall in which they practice, and for this they are heartily grateful to Mr. Campbell.

The recent purchase of \$475 worth of band instruments, from Frank H. Holton and Co., of Chicago, shows the personal interest and integrity of the individuals who make up the band. These instruments were bought by the members of the band for themselves without any help from either the band or outsiders.

During the summer the band will give a series of outside concerts and, from time to time, will hold concerts and ice cream suppers to defray the expense of purchasing uniforms, which will be bought as soon as the money is raised.

There are 23 members now in the band and with this number, together with the good members from Monmouth, and with the able leadership of Mr. Ernie Townsend, Independence has a military band that would do credit to any city.

Brilliant Barn Dance on Menlo Farm

One of the most brilliant social events of the season was the barn dance given by Mr. and Mrs. Fisher at Menlo, their country home near Suver. The dance was given to commemorate the completion of their new barn, which is one of the finest, three storied barns in this part of the valley. A large number of enthusiastic guests assembled on the third story where the floor was good, the music splendid and where every one had a most excellent time.

An elaborate feast was spread in another part of the building, and when once enticed there, by the savory smell of coffee, those who came to "mince" remained to a big supper and a second helping of ice cream.

Those present at this affair were: Mr. and Mrs. Dr. Keene, of Silverton, Mr. and Mrs. Alf Coolidge, of Spokane, Wash., Mr. and Mrs. Harry Neal, Mr. and Mrs. John Aitof, Mr. and Mrs. Jip Thurston, Mr. and Mrs. Albert Tetherow, Mr. and Mrs. Emerson, Mr. and Mrs. Joe James and Mr. and Mrs. Joe Smith, all of Suver, Misses Fields and Elston McClain, Miss Mable Adams, Miss Francis Adams, Miss Jennie Boothe, and Miss Schultz of Salem, Misses Genevieve and Cecelia Wilcox and Miss Mable Porterfield of Independence, Miss Edith Wolverton and the Misses Hazel and Mable Lorence, of Monmouth, Miss Nora Suver, Miss Mable Brown and Miss Rena McCredie, of Suver, Messrs. Old Fashioned Picnic.

A. M. Brown and wife, together with Dr. Hewitt and family went to Hopewell in Yamhill County, to spend the Fourth. They returned to tell of a grand, old fashioned picnic in a large and shady grove adjacent to the town. Dinners were spread upon the ground and when all had eaten their fill, and some fuller, they adjourned to the athletic field where the ladies as well as the men, engaged in such sports as broad jumping, foot racing, hurdling, tugs of war and other sports as only the Fourth of July and a jolly crowd can suggest. Then

there was music—the good, old fashioned kind—the drum and fife—but it was enthusiastic and made an excellent introduction to the speeches that followed.
