Mr. and Mrs. Ferguson, upon returning from church about 10 o'clock Sunday evening, found that some one had tried to break in the house but for some unknown reason, had given it up without doing much damage to the door.

Mr. Clancy Truitt, of this city, started for Newport with his family, for a two week's outing. When only half way he met a man who wanted to buy his team, wagon and harness. He offered Mr. Truitt a good price and he sold out and returned to Independence. We suggest that he try again as he did so well this time.

J. W. McInturf and Mr. Gwilliams traded horses last week and each got cheated. They were equally delighted with the trade and each spends most of his time bragging about how they cheated each other. If every one knew the horses as they do, they would never trade them again unless they traded with themselves. We extend sympathy.

DID YOU EVER?

Did you ever see a ship
Stranded on a rock?
Did you ever hear the noises
As the breakers round it shock?
Did you ever see the lightning
Or hear the thunder crash?
Did you ever hear the timbers groan
As the breakers 'round it dash?

Did you ever see a life
Stranded on a rock?
Did you ever see a human wreck
With stones around it blocked?
Did you ever see waves fast beating
And greed's lightning glaring wild?
Did you ever see life's curses
Hurled on a hopeless child?

LETTER OF APPRECIATION FROM AN ABSENT SUBSCRIBER

Pendleton, Ore., 161 Thompson St.
August 1, 1911.

Editor Enterprise,
Sir:—You see how I do appreciate my home paper, the Enterprise, for I have it come to me on my visit and I can hardly wait for its arrival. I read every word of it, even the ads.

Yours with great respect,

Let us kindly call your attention to our services, next Lord's Day. The subject for the morning is—"God Works," for the evening is—"Love." Both of these sermons will be illustrated by charts and we want you to come and see.

No one is exempt from this invitation, because we want everybody to come. We will do you good.

MONMOUTH

Mrs. M. J. Crowley, of Iowa, purchased the W. M. Erskine property in Monmouth for a consideration of \$1,000. P. E. Chase of the Western Realty Co. negotiated the trade. Mrs. Crowley comes to Monmouth with a son and a daughter. The latter intends to take a course in the state Normal School. These are the kind of citizens that every town needs and Monmouth is fortunate in having secured them.

Roy Clark sustained a painful injury while working in Pleasant Valley, Tuesday. It seems that he was

knocking him down. The plucky lad rode to Monmouth where Dr. Mattis dressed the wound, and though painful, it is getting along well.

S. H. Hinkle was in town Saturday on business and reports the condition of crops in that part of the country as being in excellent condition.

The Winegar & Lorence Hardware Co. of Monmouth, have sold twenty one new Deering binders this season.

The work of remodeling the Normal School building is progressing rapidly. All the wall paper which has accumulated for years is being taken off and the walls are being tastefully decorated and borders are being put in place to relieve the effect. All the arches are being strengthened, stairs and floors being replaced, and everything is being put in an up-to-date condition.

Many new buildings are going up in Monmouth but still there is a scarcity of dwellings. There is absolutely not a single house to rent in the entire town. There can be no wiser investment than building in the Normal School town, as many houses will soon be in demand.

Miss Emma Kramer came from Dallas Saturday, where her brother Cal, Kramer, is sick in the hospital. Very little hope is entertained for his recovery.

David B. Campbell and Miss Cassie Stump arrived home Thursday from a two years stay in Berlin where David made a study of music.

Mrs. I. A. Dempsey of Rickreall, accompanied by Nellie Dempsey and Mrs. J. M. Davis of Portland and Miss Alma Husbey of Falls City, drove over for an all day's visit with her sister, Mrs. H. E. Guthrie, Friday.

The excavation for the foundation to the store building being built by Peter Kurze, on Main street, is well under way and the building will be ready for occupancy by September first.

Mrs. I. H. Frohm and daughter Ruby, went to Watsburg, Washington, Monday, to be at the bedside of Mrs. J. L. Robinson, their daughter and sister.

Many of the citizens attended the Uncle Tom's Cabin show at Independence, Saturday and pronounced it quite good. Most of the characters were well represented.
