WHILE WE ARE "AHEAD

of the meat business," it has become a serious matter with the ordinary wage-earner to know how to supply the family table with

WHOLESOME MEAT

Although our margin is small, we buy only the best and give our customers the benefit of it, and every part of our market is kept clean and in a sanitary condition.

This is the Right Place to Come for FURNITURE

☛ We are as sure of that as we were ever sure of anything. Our present problem is to convince all those who may need Furniture of this fact.

☛ Ten minutes spent in our store will do more convincing than a page of newspaper talk.

☛ Glad to have the ladies drop in any time they are down town.

☛ Always something new to show them. If it isn't new arrivals in Bedsteads, it's Dining Room Furniture in artistic designs, or it's Couches, or Tables or Chairs.

☛ It may be this, that or the other that we wish particularly to have the ladies look at—but it's ALWAYS SOMETHING. Impossible to bother us.
