McCARTHY OVERTHROWN.

Rolph Elected Mayor of San Francisco By Big Majority.

San Francisco—Incomplete returns from all districts show the following results of Tuesday's election: For mayor—Rolph, 14,547; McCarthy, 8,841. For district attorney—Fickert, 9,333; Hawthorne, 8,284.

San Francisco—James Rolph, Jr., was elected mayor of San Francisco at the first direct primary election to determine the personnel of municipal officers of the city and county of San Francisco.

The vote will closely approximate 80,000, the biggest ever cast in the city.

While the vote is by no means completely counted, the returns indicate the election of Rolph by a substantial majority and close supporters of Mayor McCarthy, the only real opponent of Rolph, concede the mayor's defeat. Max J. Kuhl, Rolph's campaign manager, issued the following statement:

"From indications now at hand, Rolph's plurality will be in the neighborhood of 27,000. This, in our opinion, is merely a vindication of the good name of San Francisco. A united people working for one object, the regeneration and good name of San Francisco, have put themselves firmly on record.

The people can look forward to the Fair years with an absolute assurance that not only will the Fair itself, but the government of San Francisco, too, be a credit to our people."

At the McCarthy headquarters no one could be found who would volunteer a statement, but the News, the only paper which has supported Mayor McCarthy, conceded Rolph's election, probably by 15,000.

ITALIAN CRUISERS SENT.

Turkish Army Transports Will Be Intercepted and Attacked.

Vienna—It is reported here that three Italian warships have arrived at Tripoli and are cruising before the harbor.

Six thousand troops have assembled at Palermo ready for embarkation.

Paris—A dispatch to the Temps from Rome says that the Italian cruisers have left the naval ports, with the object of intercepting Turkish transports en route for Tripoli.

Tripoli—Foreigners are alarmed at the situation growing out of the reported intention of Italy to occupy Tripoli in defiance of the Turkish government. An Arab revolt is feared. Foreigners are fleeing hastily. Every available boat leaving here is crowded with Europeans.

The above is the first dispatch direct from Tripoli since the threatened conflict between Italy and Turkey directing attention to that Turkish province on the north coast of Africa. It bears out earlier advices from Malta and other points indicating an exodus of Europeans from the troubled zone.

Italian residents of Tripoli have left in large numbers, fearing that they might be made the victims of Turkish vengeance, and the now reported possibility that the Arabs may take advantage of the situation and begin an uprising adds another grave feature to the Turko-Italian quarrel.

OFFICIAL NAILED TO CROSS.

Mexican Indians in Revolt Crucify President of Town.

Crane's Cry Indorsed.

Lincoln, Neb.—Decrying the abuse of intoxicants at university social functions, Chancellor Samuel Avery, at the convocation at the University of Nebraska, declared he agreed with recent utterances of R. T. Crane, of Chicago, as to intemperance in educational institutions. "It is true," said Chancellor Avery, "that student life is everywhere characterized by some undesirable features, and always will be, since education cannot well be deferred until the student has become as staid as his parents."

Women Convict Boyer.

Tacoma—Reginald H. Boyer, alias Fagin, who is alleged by the police to have been conducting a school for crime, teaching young boys to steal, was convicted of grand larceny in the Superior Court by a jury, the majority of whom were women. He was specifically charged with short changing an old man out of \$80. The jury was out but five minutes, finding him guilty as charged. The verdict was unanimous.
