WOULD RESTORE KING MANUEL

Portugal Royalists Reported Preparing for Fight.

Republican Troops Surrounded and Government Admits Situation Becoming Grave.

Liabon, Portugal—Royalists, fighting to put Manuel back on the throne, early Saturday morning surrounded and cut off the retreat of Republican troops near Vinhais, 17 miles west of Braganza, according to a report which has reached this city.

Details are lacking, but a fierce battle between the opposing forces is expected. Both sides have been reinforced during the last few hours, it is understood.

There have been no disturbances in Liabon during the last day or two. The Portuguese government no longer denies, however, the situation in the republic outside the capital is very grave, although asserting that reports concerning royalist rampages have been greatly exaggerated.

It was reported that ex-King Manuel was in Spain, presumably on his way to Portugal. This was found to be without foundation, as information came direct from London that Manuel is still at Richmond with the queen mother.

Dispatches from Madrid, Spain, say that Portuguese royalists concentrated at Fubia de Sanabria, province of Zamora, Spain, about 20 miles north-east of Braganza. Portuguese have formed into three columns under the command of Captain Coucifer, Senor Camacho Canavaro and Homen Cristo.

Their first objectives are Chaves and Braganza, where the garrisons are reported to have pronounced in favor of the monarchy and exterminated a few officers who held contrary opinions. The monarchists now say the white population in Northern Portugal has made common cause with them.

The government in Northern Portugal is close scrutiny of Oporto, which is looked upon as the hotbed of the royalist conspiracy. It was there that spirited fighting between the Republican troops and monarchists took place Saturday, in which many of Manuel's partisans were fired upon by the government soldiers.

6,000 Carry Manuel's Flag

Madrid, Spain, Jan. 10.—The Portuguese government admits that royalist disturbances are in progress in Northern Portugal near the Spanish border. It is asserted that 6,000 men are following the white and blue flag of the deposed King Manuel. It is also said the royalists engaged and defeated 200 government troops.

Babe Come to Pasadena

Pasadena, Cal.—The much advertised lack of births in Pasadena is at an end. No longer is the finger pointed at the city as the place of "no babies." During the last 48 hours there were recorded 10 births at the Pasadena hospital, besides a dozen in private homes. Fifteen of the 16 hospital arrivals are girls. Local doctors who have been working over this case here is some fear of a new epidemic.

Labels Put in Case

Mexico City.—General Amador Nibregon, in a bloodless battle at Chilpancingo, captured 200 Zapatistas and placed them in jail at Chilpancingo. He believes he has thus effectively broken the strength of Zapata and Almaraz, who have been terrorizing the states of Morelos, Puebla and Guerrero for months. Martial law has been declared in these states.

Spanish Finds No Trouble

Madrid, Jan. 10.—The Spanish government has received an emissary into Portugal to learn what the royalists were doing. The agent reported that absolute order

EX-KING MANUEL OF PORTUGAL, WHOM ROYALISTS ARE TRYING TO RE-INSTATE.

Broder, M. P., of Dundas, Ont.; George E. Foster, ex-finance minister; Judge Dobay, of St. Annes, Montreal; Chase Casgrain and F. D. Monk, of Montreal, are practically certain to have portfolios.

ITALIANS OCCUPY TRIPOLI.

Portions of Fleet Proceed to Bombard Other Turkish Ports.

London.—The Chronicle's Constantinople dispatch from Tripoli says that Italian warships are bombarding Benghazi and Derna, and that the former is vigorously returning the fire.

The Italian flag floats over Sultania fort, at Tripoli, which is occupied by landing parties. Part of the fleet is anchored in the harbor and the other warships lie a short distance from the dismantled fortifications.

According to a Constantinople report, the Italian warships bombarded Benghazi and Derna.

Rumors of a naval engagement in Turkish waters, of an attack against Mytilene and of the blowing up of the Italian battleship Conte di Cavour at Tripoli have not been confirmed from any quarter.

A report is current from Constantinople that while Germany favors the adoption of the Italian ultimatum as the basis of peace negotiations, Great Britain proposes that Tripoli shall become a privileged tributary Turkish vilayet, under joint Turkish-Italian administration, thus retaining the suzerainty of the Sultan.

Lumber Business Better.

Tacoma.—Reports from lumber manufacturers in 24 states received at the office of Manager Leonard Bronson of the National Lumber Manufacturers' association indicate that the lumber output last September was greater than the shipments, which according to Manager Bronson, means the lumber industry is returning to its proper basis. The National Lumber Manufacturers' association for three months ago began to gather statistics concerning the lumber cut, the shipments and the stock on hand at the mills.

Los Angeles

The strike will be over within 30 days, trains are being run, engines need repairs, and no one is to be had to fill the places of the strikers' employees. The statement issued here by the strikers' publicity committee of the Harriman employees' superintendent of the southern division of the system said conditions were satisfactory and that more men were working now than at any time since the strike was begun.
