The Eastern Question, What Its Solution Means to All The World

Allow me to say that eyes are turned to the East, to the war between Turkey and Italy. Some persons show a great deal of concern when Turkey declares war. Why? Why so much more interest in Turkey than other nations? For this reason—one day when Christ was on earth and his disciples were talking with him, they asked what would be the sign of His coming, and of the end of the world. After enumerating different signs he told them if they would read the book of Daniel they would understand. So we quote the last verse of Daniel 11, "And ye shall plant the tabernacle of his palaces between the seas in the glorious holy mountain; yet he shall come to his end and none shall help him." Constantinople, itself is between "the seas." This does not meet the word of the angel. No, but he shall plant the tabernacle of his palace between the seas "In the glorious holy mountain." This can be no other than Jerusalem; even now Jerusalem is called in the Turkish and Arabic, "The Holy." It is certain, therefore, that the seat of the Ottoman power will be removed from Constantinople, and will be finally planted in Jerusalem, and then it is just as certain that power comes to an end.

When He Comes to His End
Yet this is not all. The angel continues, "And at that time shall Michael stand up, the Great Prince which standeth for the children of Thy people; and there shall be a time of trouble such as never was since there was a nation even to that same time; and at that time Thy people shall be delivered, every one that shall be found written in the book and many of them that sleep in the dust of the earth shall awake." (Dan. 12: 1, 2.)

Whether the Turkish power shall leave Constantinople, and when; whether shall it be wiped out, and, if so, when—these are great and interesting questions, and multitudes are anxiously studying them. But of far greater consequence is the question, "What will happen when these things are accomplished?"

The word of God is that "at that time" there shall be such a time of trouble upon the earth as never was since there has been a nation. This we have seen by positive proof, is the very thing which great nations are dreading, and against this universal woe of world wide war and tumult the great powers are holding the Ottoman power as long as possible a bulwark, knowing that, when this bulwark shall have been broken down, the appalling torrent must spread over all. In this matter the Word of God and the word of the great powers of the world, are in exact and perfect accord.

Who is ready for this "Time of trouble such as never was since there was a nation?" Who? Whoever on earth is not ready for the spreading over all nations of such a time of trouble as never was since there was a nation—whoever on earth is not ready for this is not ready for the wiping out of The Ottoman power.

For this is not simply a time of great trouble by war amongst the nations. It is a time of great trouble caused, also by the judgments of God upon the earth, the seven last plagues, the door of mercy closed, the resurrection of the dead and the end of all things.

The war clouds are not dissipated, nor shall we "awake from such dream as from a night-mare" into a condition of international peace. The greatest of statesmen can see clearly the fruition of present-day war preparations, but, like children, they vainly

clasp an intangible hope of peace; they grasp at straws; palliate the spirit of war and strife by erecting peace monuments establishing peace foundations, etc., for the promulgation of international amity and concord. There shall be no peace. "When they shall say peace then sudden destruction cometh upon them," it is the gathering to the great war of Armageddon.

Reader, are you ready for the conflict? Is your name written in the Lamb's Book of Life? No time now for trifling, the prince of this world will see that you have plenty of amusements to keep your mind from Jesus, who is waiting to wash away your sins and give you a mansion with the glorified. You can be there. Get ready.

Mrs. H. Chas. Dunsmore.
