American Heiress and Earl.

Representative Henry, of Texas, at a luncheon in Washington, D. C., inveighed eloquently and wittily against the American heiress who marries the foreign nobleman for his title.

"But she gets the small end of it," said Representative Henry, grimly.

"Here's an example:

"There was a Texas girl with 20 millions who married an earl—we'll call him Lord Laclands. Well, this earl was notorious for speeding his motor cars. So they changed the law to fit his case. Afterward a man said to him:

"Well, Laclands, what are you going to do, now that in all speeding offenses the owner of the car and not the chauffeur is to be arrested?"

"Du?" said Lord Laclands, "why I'm going to put every motor I own in my wife's name."—Washington Star.

Expects a Freshet in Talk.

In the "upper end" of Pike county, Pennsylvania, there is a man who is so noted for his conversational abilities, says a writer in the Boston Herald, that his acquaintances avoid giving him unnecessary opportunities to talk.

One cold morning this man rode up to a hotel in the neighborhood just as the guests were finishing breakfast. He dismounted, walked in, saluted the landlord in his usual loud tones, and declared that he was so cold that he could hardly talk.

Just then a nervous traveler who was present stepped up to the landlord and, taking him by the coat, said:

"Mr. L., have my horse brought as soon as possible."

"What in the matter, my dear sir?" inquired the anxious landlord. "Has anything happened?"

"Nothing; nothing! Only I want to get away from here before that man thaws!"—Boston Herald.

Sore throat is no trifling ailment. It may carry disease germs to any part of the body through the food you eat. When you feel sore throat coming on, use Hamlin's Wizard Oil.

A Touch of Pity.

A tender-hearted youth was once present at an Oxford supper, where the fathers of those assembled were being roundly abused for their parsimony in supplying the demands of their sons. At last, after having long kept silence, he lifted up his voice in mild protest. "After all, gentlemen, in mild protest, 'let us remember that they are our fellow creatures.'"—Argonaut.

Her Faith.

One merit of this story is that it is true, says the Providence Journal. At least it is guaranteed by a well-known Providence society woman.

Marjorie Elizabeth, a niece from Michigan, was visiting her, and accompanied the elders to the Episcopal church, of which her aunt is a member. Various features of the interior interested Marjorie greatly and she asked about them in a stage whisper. The baptismal font, she was told, was where children were baptized and became Christians.

"Aren't you a Christian, Marjorie?" she was asked.

"Well," observed the diminutive worshipper, still in the stage whisper, "while I'm here, I suppose I might as well be a Christian, but when I get home I think I'll keep right on being a Presbyterian."

Those Baggage Smashers.

Henry Clews, at a dinner in Newport, R. I., said of American traveling:

"It is delightful to travel in America, but I think that American porters handle our luggage a little too roughly."

"Once, at a certain station, I was amazed and pleased to hear a uniformed official shout to a burly porter:

"Hi, what are you knockin' them trunks about like that for?"

"The porter had been lifting great trunks above his head and hurling them down to the floor furiously, but now he stood stock still in astonishment."

"What's that, boss?" he said.

"What do you mean by knockin' trunks about like that?" repeated the official. "Look at the floor, man. Look at the dents you're makin' in the concrete. Don't you know you'll lose your job if you damage the company's property?"—Baltimore American.

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifle with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.,—take the advice received and be well.

"I don't know whether I ought to take you seriously or not," says the fair young thing to the gallant officer who had just proposed. "I've heard that you were engaged to 10 girls last summer."

"My dear, those weren't real engagements. They were just—crash skirmishes."—Judge's Library.

AVOID LIQUID BLUING.

The reason so many housewives prefer RED CROSS BALL BLUE is because it is all blue. Liquid blue contains a large percentage of water. Why buy water when you have it by the tub full?

Buying solid RED CROSS BALL BLUE is real economy. Dissolve it as you need it. A large four-oz. package, all blue, for 10c. Used in thousands of homes. FOR SALE AT ALL GROCERS.

Mr. Ghout—All my money cannot give me health, doctor.
