Independence Wins

On Sunday the Independence Foot Ball team played a successful game beating their opponents, the Wabash team of Portland, by a score of 20-0. The game was a good one and was singularly free from serious accidents.

During the first three minutes of

play in each of the first three quarters Independence made touchdowns and out of the four touchdowns Henkle got two. Williams played an excellent game making the other two touchdowns. All of the boys played good ball; in fact, every one on the team contributed his share toward running the score up in favor of the home eleven. Metzger, Jones and Mattison, as usual, played good individual games. Moon, Bird and Huber, boys from our sister city, both did effectual work.

Although the home team was greatly hampered by not being able to use Billy McAdams, yet with the score as it stands, there is no room for kicking on that account.
