"The Quick or the Dead"

created the biggest sensation ever caused by a novel appearing in magazine form. To this day there is an incredible demand for the story. Its author, Amélie Rives, now the Princess Troubetskoy, has written a new novel which bids fair to overtop the reputation of its famous predecessor. It is called "Hidden House" and appears in the October Lippincott's.

FREE

Three good numbers—October (containing the new Amélie Rives' story) and the November and December issues with each yearly subscription to begin with the January, 1912 number. Send \$2.50 to-day and get fifteen numbers for the price of twelve.
