Clock Repairing

NOW IS THE TIME TO HAVE THAT "BALKY" CLOCK FIXED UP.

Perhaps you have one that has just stopped.

Perhaps you have one that has been stopped for some time.

Perhaps you have one that has been stored in the attic for years.

Anyway why not bring it to Rowe's and have it fixed up, so you can be using it? Let him look at it anyway, an examination will not cost you anything. And if it is not exactly what you want maybe you can trade it in on a new one, better see to it, it will pay you.
