Certainly the ground hog didn't know much about the climate conditions. From the way some of the newspapers handled the case, one would think that the marmot had secured a position with the weather bureau. Since the supposed animal saw his shadow on the second of this month we have had fine weather, and there seems to be no occasion for alarm.

NOTICE TO VOTERS

Notice is hereby given that I am a candidate for County Assessor before the Republican Primary, April 19, 1912. If I am nominated and elected to the office I will devote my entire time and attention to the interests of the people at large.
