Whole Family Benefited
By Wonderful Remedy

There are many little things to annoy us, under present conditions of life. The hurry, hard work, noise and strain all tell on us and tend to provoke nervousness and irritability. We are frequently too worn out we can neither eat, sleep nor work with any comfort. We are out of line with ourselves and others as well.

A good thing to do under such circumstances is to take something like

Dr. Miles' Anti-Pain Pills

to relieve the strain on the nerves. Mrs. J. B. Hartsfield, 33 Corbett St., Atlanta, Ga., writes:

"I have on several occasions been greatly relieved by the use of your medicines, especially the Anti-Pain Pills, which I keep constantly on hand for the use of myself, husband and two sons. Nothing in the world equals them as a headache remedy. Often I am enabled by the use of one or two of the Pills to continue my household work when otherwise I would be in bed. My husband joins me in my praise of the Anti-Pain Pills and Nervine."

Dr. Miles' Anti-Pain Pills

are relied upon to relieve pain, nervousness and irritability in thousands of households. Of proven merit after twenty years' use, you can have no reason for being longer without them.

At all Druggists, 25 doses 25 cents.

"WHAT MAKES

GOOD MEAT?"

We are often asked. You may be surprised to know how much (healthful cattle and scientific slaughtering as a basis) depends on the retail butcher. It's the way we have of storing, handling cutting and serving that makes the meat market stand out as one worth patronizing.
