Woman

Bring this advertisement to our
Notion Department not later than
one week from today and receive,
absolutely free, a regular 10c card of

Wilson Dress-hooks

These popular new Dress-hooks are not ordinary hooks and
eyes or snaps—they will completely overcome your dress-fastening
difficulties. The free cards are not samples but the same value for
which you would regularly pay 10c.

We make this most unusual and liberal offer as we are confident
you will find Wilson Dress-hooks the very thing you have always
wanted. They can't come unhooked or "pop" open accidentally.
They hold securely without bulge or gap, though you can unhook
them with perfect ease. Guaranteed not to rust or crush in washing
and ironing, and to outlast any garment; perfectly flat and never show.

Don't neglect this opportunity to try the Wilson Dress-hooks
you have seen so widely advertised in the leading magazines and style
books. Used by fashionable women everywhere
and endorsed by leading dressmakers.

ITS A MISTAKE

A report seems to have gained con-
siderable currency in the city to the
effect that the Enterprise has been
sold to parties from Washington.

This is a mistake. We had an op-
portunity to sell last week at a good
profit, but refused to accept because
we enjoy the association of Indepen-
dence public in business and socially,
and because we believe that this city
is destined to be one of the best in
the Willamette valley.

'Business transaction with "crooks"
is often attended with financial em-
barrassments, and we have experi-
enced this to some extent since succee-
ding C. E. Hicks in the publication of
this paper nearly two years ago, but
through the assistance of friends pos-
sessing true minds and hearts, this
has been overcome and we purpose
to remain in Independence perman-
ently, hoping to reciprocate in a mea-
sure, the kind and courteous treat-
ment that has been manifested on
the part of our tried and true friends.

ATHLETIC SPORTS

In the matter of athletic sports by
which both exercise and enjoyment
are obtained, America, it is said,
holds the lead. So important have
exercises become to perfect the con-
dition of the human body, that all
colleges and schools now maintain
departments of athletics in which
sports are systematically taught.

Great rivalry is often developed
between the different teams of the
various institutions and interest is
manifested all through the country.
We find men today who take daily
papers for practically no other pur-
pose than to get the sporting news.

The base ball season is now on and
excitement runs high on account of
this popular game.

Escapes An Awful Fate.

A thousand tongues could not tell
the gratitude of Mrs. J. E. Cox, of
Joliet, Ill., for her wonderful deliv-
erance from an awful fate. Typhoid pneu-
monia had left me with a dreadful
cough," she writes. "Sometimes I
had such awful coughing spells I thou-
ght I would die. I could get no help
from doctor's treatment or other med-
icines till I used Dr. King's New Dis-
covery. But I owe my life to this won-
derful remedy for I scarcely cough at
all now." Quick and safe, it is the most
reliable of all throat and lung medi-
cines. Every bottle guaranteed. 50c
and \$1.00. Trial bottle free at all
druggists.
