Considerable building is going on here this summer, and the lumber mills are busy filling orders for the season's work. It looks as if the presidential campaign will not make much difference in the financial condition of the county seat of Polk.

THEY PUT AN END TO IT

Charles Sable, 30 Cook St., Rochester, N. Y., says he recommends Foley Kidney Pills at every opportunity because they gave him prompt relief from a bad kidney trouble that had long bothered him. Such a recommendation, coming from Mr. Sable, is direct and convincing evidence of the great curative qualities of Foley Kidney Pills.—Williams Drug Store.

A GOOD SHOW

The colored minstrels were greeted by a large and appreciative audience here last Tuesday evening. It is very seldom that we get to see as good a minstrel show as this one except in the larger cities. The darkies were right there, both in singing and dancing and were encored to almost every number.—Genesco Post.

BUSBY'S MINSTRELS

Minstrels au la circus style delighted a large audience of Ogden people last evening, the event being the visit of J. D. Busby's big minstrel show under canvas. The show was given a most liberal patronage, which it merited in every sense of the word.

Mr. Busby has assembled a big company of colored people who are bubbling over with minstrel music and song.

The show carries its own band and orchestra in addition to a large number of good singers and good dancers. The big minstrel forepart is of course the feature but the olio is a program of specialties which are most entertaining.

While many cannot conceive of a staged production under canvas, they have but to witness a performance such as that given by the Busby company to appreciate not only the possibility, but the high grade success which has been attained by this gentleman in his minstrel show.—Ogden Morning Examiner. Independence Tues. June 18.
