You May Admire

The clever advertising that draws you to a store, but you won't go again if the promises made are of the pie crust kind.

You Must Admire

however, the store where promises are more than fulfilled—where you buy groceries and crockery better than you expected and at prices lower than you expected to pay. That's the kind of a store this is. The store of Perfection, Promise and Price.

What Makes a Woman?

One hundred and twenty pounds, more or less, of bone and muscle don't make a woman. It's a good foundation. Put into it health and strength and she may rule a kingdom. But that's just what Electric Bitters give her. Thousands bless them for overcoming fainting and dizzy spells and for dispelling weakness, nervousness, headache, and tired, listless, wornout feeling.

"Electric Bitters have done me a world of good," writes Eliza Pool, Depew, Oklahoma, "and I thank you with all my heart, for making such a good medicine." Only 50c. Guaranteed by all druggists.

"It gives me great pleasure to offer a word of recommendation for Dr. Miles' Anti-Pain Pills, as there are thousands suffering unnecessarily from headache. I was afflicted intermittently for years with headache and after other remedies failed, I tried Dr. Miles' Anti-Pain Pills. For the past ten years I have carried them constantly with me, getting instant relief by using one or two on the approach of headache. They are also effective for neuralgia, giving immediate relief."
