

COMPETITION CONTROLS PRICES

You probably do not fully realize the extent to which the buying public is benefitted by the extremely low prices we make on all lines of merchandise.

The Fact That We Sell Strictly Reliable Goods

at a lower price than "regular stores" can afford to meet, makes it necessary for all stores to sell at a more reasonable price than would be necessary if there were no strictly cash store in the city.

Why not trade at a store that has been instrumental in making Salem the most economical trading point in the Willamette Valley?

We never buy an article until we are satisfied that the price is right and that it will prove satisfactory to the purchaser.

Get in the Habit of Trading Here

We make a specialty of fancy groceries—goods with a reputation for quality that pleases the most exacting taste, and we take special pride in recommending our grocery department to the people of Independence and vicinity. But our efforts to keep our GROCERY DEPARTMENT in the front ranks have been no greater than have been our efforts to make every department of the store just right. If you are not in the habit of making this establishment your shopping headquarters, get in the habit.

FEDERALS SUR-ROUND OROZCO

Rebels Burn Their Trains and Take to Horses.

Government Scouts On Every Hand—Insurrectos Suffer for Food and Forage for Horses.

Juarez, Mexico—Pascual Orozco, commander-in-chief of the rebel forces in the North, is caught in a trap 100 miles wide and 200 miles long, according to advices received here by General Joaquin Telles, federal commander of this zone. The official announcement is verified by railway reports and from various other sources.

Orozco now has only about 600 men. He is surrounded by federal forces aggregating 10,000 men, that are spread out from the city of Chihuahua on the south to the border at this point, and along the Mexican Central, running directly north to the border, and the Mexico Northwestern, which runs from Chihuahua City west and north to Juarez.

Orozco left Villa Ahumada, a station midway between Chihuahua and Juarez, Saturday. Three times he attempted to move away from the railway, only to have his scouts encounter some federal forces. On his final departure he burned his trains, 65 cars, destroyed three locomotives, and mounting his men, rode away to the southwest. The rebels are suffering greatly for want of food for themselves and their horses.

Coincident with the last departure of Orozco for the southwest, the Mexican Northwestern railway was cut between Pearson and Cumbre.

But the communication was cut only temporarily. Seventy-five federal cavalrymen were sent out from Pearson and met the rebels near Cumbre. The insurrectos were routed utterly, losing three killed and 26 captured, besides suffering the loss of their ammunition and provision train. The road has been repaired and traffic resumed.

OREGON GOVERNOR OUSTS DIST. ATTORNEY CAMERON

Salem, Or. — Governor West Tuesday morning removed District Attorney Cameron, of Portland, from his office and appointed in his place Walter H. Evans. The removal was made under the statute providing that whenever a district attorney shall fail to furnish the governor with the complete statement of facts in a pardon case, the governor may remove him.

This is the first move of the governor in his avowed campaign to "clean up" Portland. The prosecutor made the statement that he would resist West's attempt, but added that he would make no move until officially informed of the governor's action.

SEATTLE GETS \$3,100,000.

Deal With New York Company Insures Harbor Improvement.

Seattle—The Seattle Port Commission has signed a contract with the Pacific Terminal company, a New York corporation, providing for harbor improvements to be made here at a cost of \$3,100,000.

A large block of Harbor Island property is leased to the New York concern, which agrees to make improvements similar to the Bush terminals in Brooklyn.

The term of the lease is 30 years. The contract was signed by Commissioners Chittenden and Remsburg, a majority of the commission.

France and Russia in Pact.

Dunkirk, France—Premier Raymond Poincare has returned here from his diplomatic mission to Russia. At a luncheon given in his honor Premier Poincare declared that his visit to Russia had resulted in a complete understanding in regard to the common action to be taken by France and Russia to meet all eventualities likely to arise out of European complications either at the present time or in the future. This united action, he concluded, had been immensely strengthened by Great Britain.

Trouble-Makers Caught.

San Diego, Cal.—Captain "Jack" Hollens and W. Albridge, prominent members of the Industrial Workers of the World, according to the police, were captured by Chief of Police Wilson and a posse in Cottonwood creek. The seven men arrested recently at El Cajon will be turned over to the federal authorities, as statements made by two of them indicate they were sent out by a Mexican junta at Los Angeles to invade Lower California.

Canal Rate War Denied.

Paris—The Suez canal company declares that it is a mistake to imagine that a reduction of ten cents a ton of the Suez canal dues is in any way connected with the Panama canal. The company at its annual meeting in June reported an increase of \$856,000 in its receipts, compared with the preceding year, and this, it was said, justified a further reduction in the tariff on vessels.
