An Expensive Drop
Mr. Hiram Jones had just returned from a personally conducted tour of Europe.

"I suppose," commented a friend "that when you were in England you did as the English do and dropped your H's."

"No," moodily responded the returned traveller, "I didn't. I did as the Americans do. I dropped my V's and X's."

Then he slowly meandered down to the bank to see if he couldn't get the mortgage extended. —September Lippincott's.

A Lucid Explanation.
"That's a terrible noise in the nursery, Mollie," said her mistress.

"What is the matter? Can't you keep the baby quiet?"

"Sure, mum," replied Mollie, "I can't keep him quiet unless I let him make a noise." —September Lippincott's.

Heart Disease Almost Fatal to Young Girl
"My daughter, when thirteen years old, was stricken with heart trouble. She was so bad we had to place her bed near a window so she could get her breath. She took a great many bottles, but she is spared to me today, a fat, rosy checked girl. No one can imagine the confidence I have in Dr. Miles' Heart Remedy." A. R. CANON, Worth, Mo.

Mrs. E. H. Sloan and two children, Paul and Kate, have rented a cottage at Newport for a two weeks' stay, and write that they are having a good time.

O. T. Murphy claims the distinction of growing the most hops on the least number of hills. In his yard last Thursday, five boxes were gathered from seven hills. Old growers tell us that large yields have been made in other yards, but this beats anything we have heard of this year, and the Murphy yard is probably the banner yard.
