A Clean Scalp and Healthy Hair

Many of your friends have found that a luxuriant growth of hair—soft and glossy—and a scalp free from dandruff will result from the use of Nyal's Hirsutone. This is the procedure: Wash the hair with warm water and a pure soap. Rinse thoroughly, rub the scalp with a stiff brush, apply Hirsutone, rub it in well and dry the hair before combing. Please understand that Hirsutone is not merely a hair-wash; it is a tonic—a food.

While it thoroughly cleanses it also prevents bacterial action. It nourishes and stimulates the roots of the hair, removes all dandruff, prevents its return and preserves the natural beauty and color of the hair.

NYAL'S HIRSUTONE SHOULD be on your dressing table. It sells at 50c and \$1.00 a bottle.
