DAIRY SHOW ATTRACTS MANY

Business Men Show Deep Interest in Exhibits.

Wisconsin Men Take First Honors in Butter and Cheese—Oregon Scores High.

Portland—Attendance boomed at the Dairy Show. Every streetcar to the stockyards was crowded, and hundreds came in automobiles. Members of the Ad club, wearing badges telling their names and lines of business, put in much time admiring the aristocratic milk-producers, and with a large delegation of the Progressive Business Men's club, and representatives of the Commercial club and Chamber of commerce, learned a few of the fine points of the game of breeding superlatives in dairy stock.

Fully 5000 in all saw the show, including the milk, butter and cheese displays. Hundreds were given an insight into the business of preparing meat for market by a tour of the Union Meat company's mammoth plant, conducted by uniformed guides, who explained each step in the animal's progress from the hoof to cold storage. Many "made a day of it" by visiting the Land Show in the morning and the Dairy Show in the afternoon.

Interest centered in the judging of the Jerseys and the agricultural college students' general stock judging contest. Competition was keen in the Jersey class, but in the Guernsey class the splendid herd of D. H. Looney, of Independence, Or., was opposed by no other entries.

Washington Agricultural college took first in the students' judging contest, with 1750 out of a possible 2500 points. The first team of the Oregon Agricultural college was second, with 1714, and the second team of the same school third, with 1600. Utah was fourth with 1530. For a time it was thought that Oregon had won, but final averages gave first place to Washington by 36 points.

Many of the blue and red ribbons for Jerseys were hung on the stalls of the Utah cattle, herds entered under such well-known names as Smoot, Smith and Cannon furnished prize-winners. However, John B. Stump & Son's Deercornbe herd, of Monmouth, Or., were the leaders, taking seven firsts and four seconds. W. O. Morrow, of Independence, Or., was a strong contender in this class, his fine herd taking several firsts and seconds.

In the butter and cheese competitions Wisconsin appears to have carried off first honors, with Oregon a close second in both cases. L. W. Turner, of Montfort, Wis., took first for butter, with A. A. Oswald and Peter Beier, both of Portland, second and third, the scores being 97, 962 and 964. It is possible that when the judges complete their grand averages Oregon will be found leading although the highest single score goes to the Badger state.

F. A. Geirguts, of Appleton, Wis., led the cheesemakers, with a score of 97. Hugh Barber, of Mohler, Or., was second, with 96, and A. A. Kirby, of Tillamook, third, with 95½. Again the general average may result in an Oregon victory, although Wisconsin has the highest individual score.

LAND SHOW BIG SUCCESS.

Exhibit of Products at Portland Interesting and Instructive.

Portland—Diversified farming is receiving a whole lot of substantial encouragement at the land show.

Many Portland people, who heretofore thought the Northwest could not produce much other than wheat and fruit, have acquired some beneficial education in the last few days. They have learned particularly that Oregon is a corn state and that all varieties of vegetables can be grown here with almost unvarying success.

Thus the land show is fulfilling its mission—bringing the people of the city into contact with the land, showing them what the land is capable of producing.

The exhibit of the Oregon Agricultural college was one of the most interesting of the whole show. It consists entirely of a demonstration of the various experimental methods practiced at the big school in Corvallis.

"Idle Women" Are Blamed.

St. Louis—Delegates to the first annual convention of the National Federation of Retail Merchants were warned against making false statements in advertisements and against cutting retail prices until profits were absorbed, by H. D. Robbins, of New York, chairman of the vigilance committee of National Ad clubs.

"Too many idle women in the world" was the cause assigned for the high cost of living by Mrs. Nellie Hencke, proprietor of a dry goods store in St. Louis.

Carnegie Gives \$2,000,000.

New York—An addition of \$2,000,000 to the endowment fund of the Carnegie foundation for the advancement of teaching was announced by Andrew Carnegie at a meeting of the trustees of his foundation. The endowment now stands at \$14,000,000 with a million dollar surplus. The gift was part of a grant of \$5,000,000 made in 1908 on which another \$2,000,000 is yet to come. The money was in Steel corporation bonds.

BIG PRIZES GO TO HOOD RIVER

Spitzs and Yellow Newtowns First at Land Show.

Prizes Well Distributed Through Pacific Northwest and British Columbia—Great Interest Shown.

Portland—Although honors in the 25-box apple competition were divided at the Land show, Hood River took first and second prizes in each of the Spitzberg and Yellow Newtown divisions, which are the two great specialties of the Hood River district.

Sears and Porter won first and John Hakel second in the Spitzberg class. Both exhibitors are among the leading growers of the Hood River section.

Harrison T. Gleason and Frank Fenwick, both of Hood River, were awarded first and second respectively in the Yellow Newtown division.

George T. Taylor, of Meridian, Idaho, won first for the best 25 boxes of Rome Beauties, with Weatherford & Monnett, of Imbler, Or., second.

Carl Wodecki, of The Dalles, was the only competitor in the Winesap variety, and was awarded first money. His 25 boxes, the judges declared, would have been "in the running" in the strongest kind of competition.

By making a clean sweep with their Yellow Newtowns and Spitzbergs, the Hood River growers became highly elated. While they grow many other kinds of apples in the Hood River district, the orchardists there pride themselves particularly over their "Spitz" and Newtown varieties.

Competition was close in the Spitzberg class. There were eight entries, five of them being from Hood River. While each individual Hood River exhibitor was eager for a prize, those who failed to win were satisfied when they learned that the honors went to their neighbors.

While the Oregon entries took many prizes in the four-box competition, Idaho, Washington and British Columbia shared in the honors. Boise took three first prizes, one each for Arkansas Blacks, Ganos and Jonathans in four-box lots. Hood River won first with Baldwins, Ortleys, Red Cheek Pippins, Spitzbergs, Winter Bananas, and Yellow Newtowns. To Wenatchee, Wash., was given high honors with Black Twigs, Grimes Golden, Staymans and Winesaps, while Lyle, Wash., scored first with White Winter Pearmaines, Imbler, Or., with Rome Beauties, and Summerland, B. C., with McIntosh.

The general quality of the exhibits was high. Crowds attending the show continued to show the interest that the people of Portland and of the neighboring Oregon and Washington cities are taking in the exhibition.

RUSSIA AND SERBIA ARE PREPARING FOR TROUBLE

Vienna—Rumors of a Russian mobilization have led to a strong anti-Russian outburst by the Austrian press, which accuses Russia of being behind Serbia. The Bourse was greatly weakened on rumors of warlike preparations by Austria and Russia.

London—According to the Chronicle's Vienna correspondent, three classes of the Austrian reserves have been called out. About 300,000 men, he says, have massed around the Serbian frontier and equally steady preparations are going forward in Galicia.

"Five large bridges spanning the Danube here have been closely watched for several days. The sentinels have been doubled in order to prevent any tampering with the bridges.

"During the last fortnight all the troops that conveniently could be spared have been drafted toward the Bosnian and Russian frontier and the possibility of the Southern Slavs proving unreliable in a war against Russia by a careful redistribution of the troops."

Coal Miners Win Strike.

Charleston, W. Va. — What is believed to forecast the end of the great coal strike in West Virginia was announced in a signed wage agreement between the union miners and the officials of the National Bituminous Coal & Coke company. The agreement practically recognizes the union, provides for an increase of about 21 per cent in wages, reduces tonnage, permits the miners to organize, provides for a nine-hour day and gives the 600 men now on strike preference if they should desire to return to work.

Grey Will Not Aid Jews.

London—Sir Edward Grey, the British foreign minister, declined to approach Russia with a view to securing the withdrawal of the restrictions placed on British Jews in that country, on the ground that such action on the part of Great Britain would lead to the termination of the Russo-British treaty of commerce. Such a result, he adds, would not advance the interests of the Jews and would be disadvantageous to British interests.

Federal Pension Advised.

Washington, D. C.—As a result of the announcement by the Carnegie corporation that a pension of \$25,000 would be offered each ex-president of the United States, a strong movement is expected in the coming session to induce congress to provide a pension.
