PENSIONS ARE PAID DIRECT

New System of Indorsements Will Do Away With Vouchers.
Washington, D. C.—The new system of paying all persons on the Federal pension rolls direct from Washington instead of through the 18 pension agencies is being inaugurated by the pension bureau. Checks are being sent to 300,000 pensioners in the sections heretofore covered by the agencies at Augusta, Ga.; Boston, Columbus, Detroit, Washington and San Francisco. The personnel of the agencies at Indianapolis, Knoxville, Louisville, New York, Philadelphia and Topeka, which have completed their November payments soon will be brought into Washington, the first of the agency transfers to the pension bureau.

For the first time in history the pensioners will be paid without the formality of vouchers, the checks serving the same purpose by a requirement of indorsement by the pensioner in the presence of two witnesses. The pensioner also must show to the indorsers his certificate, the number of which must tally with the certificate number on the checks. The new system obviates the necessity of receipts from the pensioners.

THIS STUDENT LIVES CHEAP**Freshman Working at College Gets Fat on 85 Cents a Week.**

Ithaca, N. Y.—Living on 85 cents a week is agreeing with Raymond Prior Sanford, of Warwick, N. Y., freshman in the Cornell Agricultural school, who is working his way through college. He reported that during four weeks of such diet, in spite of hard study, he had gained three and two-thirds pounds in weight. He is 21 years old.
"My food," he said, "consists of buttermilk, 3 cents a quart; skimmed milk, 2 cents a quart; stale bread, 3 cents a loaf; peanut butter, 10 pounds for \$1.50; raisins, three pounds for 25 cents; lentils, 10 cents a pound; raw cabbage, onions, peppers, rice, oatmeal and what apples I am permitted to gather from the agricultural farm," he said. "I like meat, but I cannot afford it, and professors of home economics say I do not need it to do my best work."

"From October 1 to October 28, I gained three and two-thirds pounds in weight, living on 85 cents a week. One week my food cost 33 cents."

JAPANESE CABINET AT OUTS**War Minister Insists on Increase of Forces in Korea.**

Tokio—A cabinet crisis has arisen over the refusal of the minister of war, Lieutenant General Uyehera, to accept a cabinet decision rejecting the scheme for increasing the military forces in Korea.
After several extraordinary sittings Premier Sainonji informed the war minister that the cabinet adhered to its position. General Uyehera indicated his decision to resign.

It is doubtful whether the emperor will accept the resignation.
The press and the general public support the cabinet. Lieutenant General Uyehera was appointed minister of war April 3, 1912, to succeed General Ishomoe, whose death occurred the previous day.

PICKPOCKET IS HANDLESS**Thief Caught Working With Suction Device on Arm Stumps.**

Philadelphia — Patsy Wendell, 21 years old, was sent to the county prison Monday for six months. Patsy is a handless thief, whose specialty is picking pockets. He was caught in the crowds along Broad street, deftly showing the stump of his arm into the pockets of men and the handbags of fashionably gowned women.
He had a rubber suction device attached to his mouth which appeared as though he was vending toy balloons and with the tube running into the arm stumps. He is an old offender. Three wallets, \$30 and two mesh bags were found in his coat.

1915 Race Goes to San Francisco

Los Angeles—San Francisco will be the scene of the proposed 1915 international yacht race, according to a definite statement by Sir Thomas Lipton. Replying to questions by Southern California enthusiasts, regarding the probability of building a yacht to compete with a syndicate craft here, he replied that the San Francisco race would be the big race of the year, so far as he is concerned. It is believed that the Southern California yachtsmen will build a yacht to represent Los Angeles in the San Francisco regatta.

Women to Go to Polls.

Boston—Women will take a prominent part in this month's city elections in Massachusetts. More women probably will go to the polls than ever before, although the law permits them to vote only for school board candidates. The present registration is nearly double that of former years. Fourteen Massachusetts cities will hold their elections on Tuesday of next week, 15 will elect a week later, and two soon after that.

Jacksonville, Fla.—Richard Frayne, an aeronaut of Lowell, Mass., fell 2000 feet here Sunday afternoon and was instantly killed. Three thousand persons witnessed the accident. The aeronaut was thrown from his seat in the parachute immediately after he cut loose from the balloon.

OFFER AMNESTY TO INSURGENTS**Radical Stand of Mexican Government Bar to Peace.****New Minister of Interior Advises Policy of Moderation—Fighting Is On Decrease.**

Mexico City—Convinced that numerous bands of rebels in the states of Durango, Coahuila and Southern Chihuahua are continuing their operations merely because they believe surrender would mean summary execution under the suspension of guarantees, Rafael Hernandez, the new minister of the interior, has announced that he would attempt to gain for them a promise of amnesty.

Chehe Campos and Benjamin Arguado, officers in Orozco's organization, are the chief rebel leaders in these districts, and several engagements were fought last week, the government as usual announcing victories. These, and allied leaders, have been making successful raids on small outposts, managing for the most part to evade encounters with superior forces. The rich country virtually is at their mercy and the Federal forces are able to accomplish little more than garrison the larger towns.

Minister Hernandez is confident the rurales, who report to his department, will be able to operate more effectively than the regular troops and with this object in view, he has conferred with General de la Vega, commander-in-chief of the rurales guard. Hernandez has issued a general order to the rurales to commandeer horses when needed, giving receipt to the owners and notifying the government.

The rurales have complained frequently they are unable to follow the insurgents because of worn-out mounts. It is believed this will prevent the rebels from obtaining horses and will assure the owners of payment.

AIR ROUTE TO POLE IS SAFEST**Peary's Companion Gives Point to Aviator-Explorers.**

Boston—"The safest and easiest way to reach the North Pole and an entirely feasible way, is by aeroplane," said Captain Robert A. Bartlett, of the Peary North Pole party, to the members of the Aero club of New England, at its annual dinner. Captain Bartlett said an aeroplane could be taken by land to Cape Morris K. Jesup, which is only 381 miles from the pole. With the latest machines this would mean only a four hours' flight to the pole, he said. "The ice would furnish suitable landing places all along the route, but all necessary supplies would have to be carried for the trip to and from the pole."

"The ideal trip," said the speaker, "would be to go from Cape Jesup directly over the pole and land at Cape Sheliuskin, in Siberia, the latter point, however, being 723 miles beyond the pole. In the summer months of August and July the conditions are perfect for flying, and I can see no serious difficulties which might not be guarded against."

CHARITY PATIENT WEALTHY**Russian Dies at County Hospital—Wallet Held \$18,400.**

Seattle, Wash.—J. Friedman, an aged Russian miner from Fairbanks, Alaska, a charity patient, died at Wayside Emergency Hospital November 20, after an operation for goitre. He had applied to the county commissioners for relief and they sent him to the hospital. In his pockets were half a loaf of stale bread, a sausage and a wallet.

Before the operation he gave the wallet to a nurse to keep for him. When it was opened it was found to contain cash, drafts and certificates of deposit for \$18,400. It also contained a will bequeathing his whole fortune to his sister, Jane Friedman, 50 years old, who lives in a village in Russia.

Indians Are After Money.

Ardmore, Okla.—Steps were taken here by which the Choctaw and Chickasaw Indians hope eventually to induce the government to distribute among members of those tribes \$17,000,000 derived from the sales of their lands in Western Oklahoma. Resolutions were adopted at a meeting of 200 leaders of both nations urging the distribution of the money and asking congress to enact such legislation as will no longer make the tribes wards of the government. The matter will be presented to congress soon.

Deposed Royalty Sues Government.

Brussels—Royalty and society are interested in the outcome of the suits which Princess Louise and Princess Stephanie have brought to obtain a larger part of the fortune of their father, the late King Leopold. Neither Princess Louise nor her sister, the countess, are poor, as they received \$3,000,000 and a quantity of valuable plate and jewelry when their father died. Princess Louise's share of the money did not pay her debts.
