

Make Us Prove This!

OVER-WORKED, TIRED-OUT NERVOUS, IRRITABLE, AILING PEOPLE ARE EARNESTLY ADVISED TO USE . . .

Rexall Nerve Tablets

People whose nerve tissues are being too rapidly destroyed by disease or overwork can find no permanent relief in stimulants. On the contrary, stimulants are detrimental in all cases of nerve exhaustion, aggravating the trouble rather than promoting a cure.

Wisdom demands a remedy that will restore the nerves to health, a remedy that contains the ingredients essential to build up the starved nerve cells, to relieve the tension on your nerves and make you better natured, to enrich the blood and thereby to repair the rundown system and give it health and strength. Such a remedy we believe REXALL NERVE TABLETS to be, and we guarantee them to satisfy you in each and every one of these respects—or your money back.

Price 50c. Sold in this community only at our store.

1913 TO SERVE 1913

FACING 1913 we reflect that you and we are parts of this community, and that this community is and shall be just what all of us jointly make it—no more; no less.

The business house today that has no ideals is a decaying concern.

Distinction, honor, achievement, romance but yesterday were military. Today they are commercial.

The standards of our civilization are really the standards of our business affairs. Through the gates of commerce and industry march development, progress, the happiness of nations, the prosperity of generations unborn.

We shall try, as we have in the past, to realize our duties and our responsibilities and to fulfill them to the limit of our ability; to shirk no part of the commercial burden that rightfully belongs to us; to cultivate and maintain the desire to perform our work honestly and adequately, striving always to bear in mind that our mission is to SERVE.

OREGON POWER CO., J. L. White, Manager.
