A BETTER WAY TO PUT IT.

Mr. Wilson in his inaugural address says: 'We shall restore, not destroy.' The Republican would express it differently: 'We are constructive, not destructive.'

If the Democratic national platform is carried out it will be destructive of the protective system, which it declares to be unconstitutional.

Independence is now off on the right foot and every loyal citizen should keep up pace and ally himself with the town council without delay.

officials in every movement that tends to be progressive. As we stated in our last issue, Independence is destined to become a city of 5000 within a comparatively short time.

Will you do your part to speed the day?

BETTER THAN SPANKING

Spanking will not cure children of wetting the bed, because it is not a habit but a dangerous disease. The C. H. Rowan Drug Co., Dept. 1474, Chicago, Ill., have discovered a strictly harmless remedy for this distressing disease and to make known its merits they will send a 50c package securely wrapped and prepaid absolutely free to any reader of The Enterprise.

Monmouth Column

ITEMS OF INTEREST FROM THE NORMAL SCHOOL CITY

Summer W. Osborn went to Portland last Thursday and purchased an Indian motorcycle.

Land owners in the region south of Monmouth are making vigorous effort to open a county road, joining the road just south of the creamery.

J. W. Livingston, principal of the Monmouth High school, has received nearly \$100.00 worth of garden and flower seeds imported from Europe.

Seventeen boys of the high school and Monmouth band have organized a tennis club for this season, and set the fee at \$3.50.

Riddell Brothers have finished sheep sheering and report the yield of wool unusually light this year.

Several trappers in this vicinity have shipped their winter's catch by parcels post. Some packages containing skunk pelts were received with discomfort by the clerks.

Prof. A. L. Peck, landscape architect for the O. A. C., has planned the grounds of the Independence high school, Oregon Normal school and the Monmouth high school.

The Oregon Normal School is now among the standard Normal schools of the United States.

Three car loads of material have arrived for the new Southern Pacific depot here. The new structure will be erected at the intersection of the Dallas Monmouth tracks, northeast of the warehouse.

Mrs. Sarah Davis was united in marriage Wednesday to J. F. Hager, of Falls City, Rev. E. A. LaDow, of that place officiating.

A. M. Arant has started the work of grafting on his cherry orchard. Lambert and Royal Ann varieties are placed onto the seedling trees.

church an attempt was made by Rev. J. H. Orrick to organize a Brotherhood Club to take care of the social side of the church. Another meeting will be held Friday evening.

Summer school at the State Normal is announced to start June 23rd, this summer.

The high boiler for the heating plant of the Normal school arrived last week and is now in position in the new building.

The new city wall is now over 200 feet deep.

The Golden Rule Bible class of the Christian Sunday school held a meeting at the home of Mrs. A. J. Haley Wednesday afternoon.

MATOMA BOY DIES FROM ACCIDENTAL POISON

A year and one-half old son of Mr. and Mrs. Matoma, living north of the city, died Friday from accidental poisoning. It seems that a quantity of morphine had been left in reach of the little fellow, who swallowed it.

DON'T KNOW THEY HAVE APPENDICITIS.

Many Independence people who have chronic appendicitis, which is not very painful have doctored for years for gas on the stomach, sour stomach or constipation.

On March 23rd the L. T. L. Easter services will be held at the M. E. church at 3 p. m. All the children are requested to be present and see what the workers have planned for them.

Mrs. John Dickenson wishes to announce a military opening at her home Tuesday afternoon, March 23. Proceeds to be used in a worthy cause. Everybody cordially invited.
