The Store That Saves You Money.

You Know Us

We are in business right here where you live. You are an acquaintance, neighbor or a friend of ours. This money-back-if-not-satisfied offer should prove the sincerity of our claims.

When we say we believe we have the best laxative and back up our statement with our unqualified promise to return without question or formality the money paid us for it, if it does not prove entirely satisfactory to you, we believe we are entitled to your confidence.

Our business success and prestige depend upon your confidence in us. We know we must secure and hold your confidence in order to get and keep your patronage. Therefore, we would not dare make this offer if we were not positively certain that we can prove our claims for

ReXall Orderlies

Our experience with them and the many reports we have received from those who have used them prove that they are really the most pleasing and satisfactory bowel remedy we know of.

ReXall Orderlies taste like candy. They are soothing and easy in action. They don't cause griping, nausea, purging or excessive looseness, as do the usual physic or laxative. ReXall Orderlies seem to act as a tonic, strengthening upon the nerves and muscles of the bowels. They promptly

relieve constipation. They act to overcome the cause of constipation. They tend to eliminate the cause of sick headache, biliousness, bad breath, nervousness and other ills attendant upon inactive bowels.

Make Us Prove This

We want you to come to our store and get a package of ReXall Orderlies. Use a few or use up the entire box. Then, if you are not entirely satisfied, come back and tell us and we will promptly return the money you paid us for them.

You promise nothing—you sign nothing—you obligate yourself to us in no way whatever. We accept your mere word.

Don't you now believe that ReXall Orderlies are worthy of a trial? Could any offer be more fair?

Try Them at Our Risk

We particularly recommend ReXall Orderlies for children, aged persons and for delicate people.

ReXall Orderlies come in vest pocket tin boxes, 12 tablets, 10¢; 36 tablets, 25¢; 60 tablets, 50¢. Usual dose one tablet.
