

You Can Make Excellent Cake with Fewer Eggs

Just use an additional quantity of Royal Baking Powder, about a teaspoon, in place of each egg omitted.

This applies equally well to nearly all baked foods. Try the following recipe according to the new way:

CREAM LAYER CAKE	
Old Way	New Way
1 cup sugar	1 cup sugar
3/4 cup milk	1 cup milk
2 cups flour	2 cups flour
2 teaspoons Royal Baking Powder	4 teaspoons Royal Baking Powder
3 EGGS	1 EGG
1/2 cup shortening	2 tablespoons shortening
1 teaspoon flavoring	1 teaspoon flavoring

Makes 1 Large 2-Layer Cake

DIRECTIONS—Cream the sugar and shortening together, then mix in the egg. After sifting the flour and Royal Baking Powder together two or three times, add it all to the mixture. Gradually add the milk and beat with spoon until you have a smooth pour batter. Add the flavoring. Pour into greased layer cake tins and bake in a moderately hot oven for twenty minutes. This cake is best baked in two layers. Put together with cream filling and spread with white icing.

ROYAL BAKING POWDER

Mother's Day was appropriately observed in all the churches Sunday and most beautiful tributes was paid her in sermons which reminded the congregations of the important part she was taken in the part of life. The wonderful conception of Mother's day rests with Anna Jarvis of Philadelphia, who has hallowed the second Sunday in May for all time, and who today is the active president of the Mother's Day International Association. The aim of Mother's Day is to strengthen and deepen all family ties. It is to ennoble motherhood. It is observed through some act of kindness, visit, letter, gift, or tribute to mother or father. The emblem is a white carnation and the slogan is in honor of "The best mother who ever lived," the mother of your heart.

THE KAISERS PRAYER.

Got, Got, Dear Got, attention please:
Your partner, V'holms here;
Und has a word or two to say.
Into your private ear;
So, durn away all udders now,
Und listen vell to me;
For vot I say concerns me much,
Mehself and Chriamny.
You know, dear Got, I vas a friend,
Und from me in hour of birth,
I quietly let you rule der Heffon,
Vile I ruled o'er der earth;
Und von I told mine soldiers
Of by-gone battle days,
I gladly s'it der glory,
Und gif you half der braise.
In every way I tried to brove,
Meh heart to you vas true;
Und only claimed my honest share,
In great deeds vot we do.
You could not have a better friend;
In sky or land or sea;
Don Kais r Vilhelm, number two;
Der Lord of Chermanny.

So vo, I say, dear Got, is dis—
Dot we should s'til be friends;
Und you should help send my foes,
To meet their bitter ends;
If you, dear Got, vil dis me do,
I'll nodings ask again,
Und you und I vill bardeners be,
For evermore, Amen.

But listen, Got, it must be quick,
Your help to me you send;
Or else I hafe to stop attach
Und only flame defend;
So four and twenty hours I gif
To make der allies run;
Und, put me safe into mein place,
Der middle of der sun.

If dis you do, I'll do mein bart,
I'll del der vorid der fact;
But if you don't den I must tink,
K, iss a hostile act;
Den var at once I vill declare,
Und in mein anger rise,
Und send mine Zepplin ships to vage
A fight up in der skies.
Dis ultimatum now dear Got,
Is vone of many more;
Mein mind is settled up to clean
Der whole world off der floor;
Because you vas mein bardner, Got;
An extra chance if giften,
To help at once, or else I'll be—
Der Emperor of Heffon.
