Spectacles.

The word is derived from the Latin
"spectaculum," which means show,
display, or the gratifica-
tion of the eye, etc. The word easily
accommodated itself to describe the
lenses invented in the thirteenth cen-
tury, some say by a Florentine monk
and Alessandro di Spina, and oth-
erly Roger Bacon. They surely cre-
ated a spectacle for persons long in-
flicted with defective sight.

These Days of Hysteria.

It is claimed that chess playing is
dying out. In the old days, when hy-
steria did not have possession of the
land and inhabitants thereof, chess
playing was quite popular. Now we
are a steam-heated civilization, with
no time for study for the mere de-
light of learning. Remember when
Paul Murphy of New Orleans was the
chess wizard of the world?—Los

Inconstancy Ever Unpopular.

Nothing that is not a real crime
makes a man appear so contemptible
and little in the eyes of the world
as inconstancy, especially when it
regards religion or party. In either
of these cases, though a man perhaps
does but his duty in changing his
side, he not only makes himself hated
by those he left, but in seldom
heartily esteemed by those he comes
over to.—Addison.

Not Up to Expectations.

Jane has often envied her small
playmate who has a baby brother and
she frequently expressed a wish for a
wee brother, too. When her wish
came true she was happily excited un-
til she had seen him. "Auntie noticed
her disappointment and asked Jane
if she was proud of the new baby.
Wistfully the child answered: "I
guess I is, but I think he is a size or
so too small."

out without pain.

IF KIDNEYS AND BLADDER BOTHER

Take Salts to flush kidneys and
neutralize irritating
acids.Kidney and Bladder weakness result
from uric acid, says a noted authority.
The kidneys filter this acid from the
blood and pass it on to the bladder,
where it often remains to irritate and
inflamm, causing a burning, scalding
sensation, or setting up an irritation
at the neck of the bladder, obliging
you to seek relief two or three times
during the night. The sufferer is in
constant dread, the water passes
sometimes with a scalding sensation
and is very profuse; again, there is
difficulty in voiding it.Bladder weakness, most folks call
it, because they can't control urina-
tion. While it is extremely annoying
and sometimes very painful, this is
really one of the most simple ailments
to overcome. Get about four ounces
of Jad Salts from your pharmacist and
take a tablespoonful in a glass of
water before breakfast, continue this
for two or three days. This will neu-
tralize the acids in the urine so it
no longer is a source of irritation to
the bladder and urinary organs which
then act normally again.Jad Salts is inexpensive, harmless,
and is made from the acid of grapes
and lemon juice, combined with lithia,
and is used by thousands of folks who
are subject to urinary disorders caused
by uric acid irritation. Jad Salts is
splendid for kidneys and causes no
bad effects whatever.Here you have a pleasant, efferves-
cent lithia-water drink, which quickly
relieves bladder trouble.

Arabian Hides Grade Well.

Arabian skins coming into the
world markets through Egypt and the
Sudan originate exclusively in Jeddah
and places in the vicinity of Mecca.
They embrace cattle hides, sheep
skins, goat skins and camel hides, and
are generally dry salted. Arabian hides
are limited in quantity; the quality,
however, is excellent.A low station with safety is better
than a high one with danger.

Cuticura Soothes Baby Rashes.

That itchy burn with hot baths
of Cuticura Soap followed by gentle
anointments of Cuticura Ointment.
Nothing better, purer, sweeter, espe-
cially if a little of the fragrant Cuti-
cura Talcum is dusted on at the fin-
ish. 25c each everywhere.—Adv.

Not a Summer Resort.

Very few Europeans are able to live
in Hyderabad, India, during the sum-
mer, and the stalwarts who manage to
endure the awful heat do not venture
out of doors during the middle of the
day at all. The white troops stationed
there are not allowed out of barracks
from nine o'clock in the morning till
five o'clock, or later, in the evening, as
the scorching sun and desert heat
have claimed many victims from sun-
stroke and heat apoplexy.

Interesting Text Books.

A school in Italy uses stamp albums
to teach geography and history. Each
student has his own collection, while
the school owns a larger and more
complete one. The boys and girls are
a great deal more devoted to their
studies with such novel text books to
attract and interest them than they
would be with just common pink and
blue maps.

Much Cut Up!

One day recently a dilapidated, apathetic
man entered the office of the
Syracuse Medical college and offered
to sell his body cheap, adding that he
was out of work and almost discour-
aged. "You're almost discouraged, are
you?" rejoined the superintendent,
who always tried to change the deter-
mination of these unfortunates. "Why,
man, if you sold your body to us the
first chance our students got they'd
take the heart out of you entirely!"
