Veterans of several wars, the Women's Relief Corps and children from our schools participated in the parade and ceremonies. The program prepared was carried out in its entirety at the Public School grounds and addresses were made and muste rendered by the children and others. Attorney B. F. Swope was the principle speaker of the day and gave one of the finest talks that our people have been privileged to listen to in many years; his voice was clear and easily heard and understood by every one present. After the program the parade re-formed and marched to the river where homage was paid to the departed sailors and marines which ended the program for the day. Dinner was served at the Grand Army Hall for its members, their families and members of the National Guard as well as Veterans of the Worlds War and a few invited guests.
