- 14—Where all merchandise is kept clean.

Our waist-seams are popular because they are form tracing; the drape of the coat-skirt; the stitching at the waist line; deep center vent. There are many more reasons. The main one is "Quality"—meaning "Virgin Wool." That means direct from the sheep to your suit.

"This store is for women as well as men." men.—Some women feel that they are a little out of place in a men's store. We do not want them to feel that way about us. Men depend on the judgment of women for style and quality. They should. Women are keener about such things. That's why we like them to come in.
