Camel CIGARETTES

CAMELS supply cigarette contentment beyond anything you ever experienced! You never tasted such full-bodied mellow-mildness; such refreshing, appetizing flavor and coolness. The more Camels you smoke the greater becomes your delight—Camels are such a cigarette revelation!

Everything about Camels you find so fascinating is due to their quality—to the expert blend of choice Turkish and choice Domestic tobaccos.

You'll say Camels are in a class by themselves—they seem made to meet your own personal taste in so many ways! Freedom from any unpleasant cigaretry after-taste or unpleasant cigaretry odor makes Camels particularly desirable to the most fastidious smokers. And, you smoke Camels as liberally as meets your own wishes, for they never tire your taste! You are always keen for the cigarette satisfaction that makes Camels so attractive. Smokers realize that the value is in the cigarettes and do not expect premiums or coupons!

Compare Camels with any cigarette in the world at any price!

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes or ten packages (200 cigarettes) in a glass-paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.
