For years the Standard Oil Company, through its Board of Lubrication Engineers, has given valuable service in lubrication—on land, on sea and in the air. Thousands of motorists are availing themselves of this service.

By exhaustive study and actual tests the Standard Oil Company Board of Lubrication Engineers has determined the correct consistency of Zerolene for your make of automobile. Their recommendations are available for you in the Zerolene Correct Lubrication Charts. There is a chart for each make of car.

Give the world the once over

LISTEN, fellows, to some straight talk. Many a man when he gets to be 40, misses something. He may have lots of money, and a fine family but—

He never "got out and saw things". After he gets settled down, it's too late.

Every man wants to see the world. No man likes to stand still all his life. The best time to TRAVEL is when you're young and lively—right NOW!

Right NOW your Uncle Sam is calling, "Shove off!" He wants men for his Navy. He's inviting you! It's the biggest chance you'll ever get to give the world the once over!

The Navy goes all over the world—sails the Seven Seas—squints at the six continents—that's its business. You stand to see more odd sights, wonderful scenery and strange people than you ever dreamed of.

You'll work hard while you work. You'll play hard while you play. You'll earn and learn. You'll get, in addition to "shore-leave", a 30-day straight vacation—which is more than the average bank president can count on.

You can join for two years. When you get through you'll be physically and mentally "tuned up" for the rest of your life. You'll be ready through and through for SUCCESS.

There's a Recruiting Station right near you. If you don't know where it is, your Postmaster will be glad to tell you.

Shove off! - Join the U.S. Navy

TRIBUTES FROM THE WORLD'S LEADERS

Work of the American Red Cross Is Praised By Noted Men.

"It is on membership more than money contributions that the stress of the present campaign is laid, for the Red Cross seeks to associate the people in welfare work throughout the land, especially in those communities where neither official nor unofficial provision has been made for adequate health and social service."—President Wilson.

"The American Red Cross is the mobilized heart and spirit of the whole American people."—Henry P. Davison.

"A magnificent spirit breathes in the American Red Cross."—Marshal Foch.

In giving prompt and efficient relief the Red Cross has won the eternal gratitude of millions of people."—General Pershing.

"It requires no organization to allow one of us as an individual to buy a dinner for a hungry man. It requires the greatest degree of organization to deal with the loss of a world. The Red Cross seems to be essentially demanded. Without the Red Cross I do not know whether the world would have been able to bear the horrors and devastation of this fearful war."—Newton B. Baker.

"The Red Cross is the great Neighbor. If the world is made a little more comfortable, a little happier, a little stronger for the struggle of life through its effort, the Red Cross is content."—The Secretary of the Navy.

"The Red Cross is not going to turn its back on its responsibilities."—Livingston Farrand, Chairman, Executive Committee, National Red Cross.

"I don't know what we would have done without the help of the Americans. I thank you from the bottom of my heart."—Ignace Paderewski, Premier of Poland.

"Mr. Davison has spoken to me of how the Red Cross hopes to continue work even in peace time. This is a noble enterprise. Wonderful results could be obtained if all countries would join hands, especially in all questions concerning small children, tuberculosis, and sanitation in general."—Queen Marie of Rumania.

Catarrhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circular free. All Druggists. F. J. CHENEY & CO., Toledo, O.
