As Good as the Best

The Rest

The nice thing about our clothes that we sell is that they look good, and are every bit as good as they look.

You have to pay the price of high quality this year; you don't always get it.

You can be certain of good quality in the clothes we sell. BISHOP will sell only the best found in the market.

You cannot afford to look anything but your very best; the very best will always be found here.

Why consider purchasing an inferior garment when you may secure the best quality at BISHOP'S.

This is the Overcoat Center of the Valley; you'll find more good ones, more stylish ones here than anywhere else.

Single and double breasted; plain and half belt and then the full belter, these models are wonderful garments, each having an individuality of its own. The man who wishes that snap and dash to appearance should see these numbers at once. They are found in all materials, including the wonderful "knit-tex" knitted like your sweater—talk about, class. Oh Boy!—BISHOP'S.

"Get this straight"
says the Good Judge

The tobacco that gives you the most lasting chew is the kind that saves you money. You don't have to take so many fresh chews. The rich tobacco taste stays right with it. That's why you take a smaller chew.
