A million-dollar university for indians and community centers for Spanish-Americans will be located in end of government control. the southwest by the inter-church world movement, says a dispatch from 15 democrats in voting for adoption Albuquerque, N. M.

Robbers locked the paymaster of the Saylor mine, seven miles north of Des Moines, Ia., in a vault in the office of the mine just before noon Saturday and escaped with the entire two weeks' payroll of \$15,000.

52 towns of eight states are making that he would sign it, although labor of whether congress enacted legislafrantic efforts to locate and destroy leaders will urge a veto. dozens of bottles of ripe clives containing the deadly bacillus botulinus, as a result of deterioration.

Opening of a new gyro-compass school at the Mare island navy-yard is number of South American and far announced by the navy department, open to all electricians in the navy who have served one year. The new school is opening to meet the needs reserve board in naming the countries of the Pacific fleet.

Amendment of the Volstead prohibi- foreign commerce. tion enforcement act so as to permit the states by referendum to authorize sale of 2.75 per cent beer and 10 per the year exceeded exports by \$240,cent wine is proposed in a bill intro- 634,000. Cuba was next with \$140,duced by Representative Minahan, 219,000 and Brazil followed with a democrat, New Jersey.

Three hundred persons made their theater Saturday night in Sioux Falls, ceeded Argentina's total of \$43,190,000. S. D., while firemen fought a blaze in the projection rooms in a futile effort to save the life of John Theobald, 24 years old, an operator.

Representative Fess, republican. Ohio, has introduced a bill providing for physical training for all school children from the ages of 6 to 18. He pointed out that a large percentage of the men taken into the army during the war were physically defective.

The \$70,000,000 powder plant at Nitro, W. Va., not only will be sold on the installment plan for \$8,500,000, but the government will throw in \$9,000,-000 worth of loose materials for good measure. This, Chairman Graham of the house war investigation committee, declared recently in the house.

The bill to authorize sale of three large army camps and to provide for fulfillment of war-time contracts for e purchase and equipment of numerous Chairman Kahn, who held informal ty, Michigan, and the county, led by its other military posts was finally agreed . to in conference Friday and the con-· ference draft was agreed to by the senate. The house is expected to act within a few days.

E. J. Crips, an engineer for 30 years for the Oregon Short Line railroad, died in his engine cab on the morning passenger train Saturday, says a dis patch from Dillon, Mont. He was seated in his usual manner, his hand clutching the throttle, and was leaning * * * * * out the window watching the track ahead when death claimed him.

> Another issue of about \$360,000,000 of treasury certificates of indebtedness may be expected about March 15, Secretary Houston announces. He declares, however, that he sees "nothing in the present situation to indicate that it will be either necessary or desirable to increase the interest rate on the certificates." The last issue bore 4% per cent.

Retail meat dealers throughout the country must reduce their prices as the wholesale price of meat declines or else submit their books to federal agents for investigation of their prof-

lts. This definition of the government's attitude was announced Sunday ght by Attorney-General Palmer. In-Elited States attorney, he said.

son for Reservations.

Washington, D. C.-Possibilities of substantial break in the democratic peace treaty ranks in the senate impelled influential democratic senators Decisive Vote Is Cast Despite to move Monday for a caucus to discuss a possible change in party policy and revived republican hopes that the treaty might yet be ratified with the republican reservations adopted at the YOU last session of congress.

On the republican side it was as serted that the 22 democrats, only a few short of the number required to insure ratification, had signified will- Effort to Resubmit Report to Conferingness to quit the lead of President Wilson and take the republican res ervation programme as it is.

This total, administration leaders declared, was exaggerated, but they conceded that were a vote taken now on the republican reservation ratification it would command more than the seven democratic votes it got last November.

UNION PRESSURE FELT

ence Committee Is Easily Defeated. March 1st Date.

Washington, D. C .- The compromise Esch-Cummins railroad bill was approved late Saturday by the house, which adopted the conference report after four hours of debate.

Adoption of the conference report came after the house had defeated, 228 to 171, a motion to recommit Chairman Esch of the interstate commerce committee then called for the previous question and there was a nearly three to one-47 to 17-the buzz in the chamber as the voting

There never was any doubt as to the effect of pressure from labor leadvariously interpreted.

Representative Kitchin, democrat, North Carolina, in the closing argument against the bill declared that republicans and 14 democrats com- labor leaders had caused at least a prised the 17 voting against it. There dozen members who were opposed to

During the debate, in which more than a score of representatives took part, Chairman Esch declared that was passed. The bill goes to President the roads would be handed back to Federal and state food inspectors in Wilson and the general opinion was their owners on March I, regardless tion meanwhile, but he warned the house that defeat of the bill at this stage would put half the roads of the country in the hands of the receivers in three months.

> Representative Pou, democrat, North Carolina, painted a more gloomy picture by declaring that the country would see the greatest financial disaster in years if it gave up the rallroads without enactment of laws which would give them the right to earn a fair return.

Representative Kitchin said his opposition was not in "compliance to the demands of Mr. Gompers." He attacked the "insidious propaganda" which, he said, rallway interests had

Railroad administration estimates place the net cost to the government of federal control of the railroads at \$636,000,000, Esch told the house in opening the debat on the conference report. "This \$636,000,000 will have to be

charged off as a war loss," he said. Training Feature May Be Dropped, "One may say it was expensive, but Washington, D. C .- Universal mili- it was worth the price. Without the tary training may not be included in railroads, transportation would have the house army reorganization bill failed to supply our troops overseas."

publican leaders calling for considera mately \$1,900,000,000, including those tion of the measure late this week, already made, were the "experience None of the leaders would deny that of federal control" Mr. Esch said, but omission of a training plan was likely, he added that of these amounts apbut asserted no final agreement had proximately \$1,250,000,000 were "inbeen made with advocates of training vestments" in the form of improve-Despite the decision of the military ments made for the roads and for
