Scored a Success.
My four-year-old nephew was perfectly delighted with his grandfather's car and always cranked all his toys, and even himself, when sent on errands. He is particularly interested in anything mechanical and never misses any such conversation. One day he cranked the cat's tail, and was delighted when it turned and spat at him, for, he said, "There, I got an explosion that time."—Chicago American.

The Best Way.
If the show of anything be good for anything, I am sure sincerity is better; for why does any man dissemble, or seem to be that which he is not, but because he thinks it good to have such a quality as he pretends to? For to counterfeit and dissemble is to put on the appearance of some real excellence. Now the best way in the world for a man to seem to be anything, is really to be what he would seem to be.—Tillotson.

Paying Federal Officials.
The president of the United States is paid by settlement warrant, which is practically the same as a check. This warrant is sent to him by messenger from the treasury twice a month. Senators and representatives are paid either by check or cash as they personally desire through their personal disbursement checks. When presidential disbursement checks, when they are paid in cash they receive crisp, new bills, as does nearly every one who lives in Washington.

The Girl in Business.
The big difference between young men and women in business is that the former know they have many years of work ahead, while the latter often feel that their sojourn in the business world is to be temporary. Only to the extent that a girl considers her work as a lifetime affair, and accordingly devotes her whole heart and soul to it, can she succeed in rising above the rank and file.—Forbes Magazine.

Business of Criticism.
Its business is simply to know the best that is known and thought in the world, and, by its turn making this known, to create a current of true and fresh ideas. Its business is to do this with inflexible honesty, with due ability; but its business is to do no more, and to leave alone all questions of practical consequences and applications—questions which will never fail to have due prominence given to them.—Matthew Arnold.

Moth Killer.
It has recently been discovered that if X-rays are passed through furs they kill all the moth eggs and prevent furs from becoming moth-eaten.

NAME 'BAYER' MEANS ASPIRIN IS GENUINE

Get relief without fear as told in "Bayer package"

The "Bayer Cross" on Aspirin tablets has the same meaning as 14 Karat on gold. Both mean Genuine!

"Bayer Tablets of Aspirin" should be taken according to the safe and proper directions in each "Bayer" package and on tablets. Then you are getting the genuine Aspirin prescribed by physicians for over eighteen years for the relief of Colds, Pain, Headache, Toothache, Earache, Rheumatism, Lumbago, Neuritis.

For a few cents you can get a handy tin box containing twelve tablets. Druggists also sell larger "Bayer" packages. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.—Adv.

Coated tongue, vertigo and constipation are relieved by Garfield Tea. Adv.

His Alienable Right.
Mr. Growcher says any man is justified in oversleeping if his wife comes to breakfast with her hair in patent curlers.

Cuticura Soothes Baby Rashes.
That Itch and burn with hot baths of Cuticura Soap followed by gentle anointings of Cuticura Ointment. Nothing better, purer, sweeter, especially if a little of the fragrant Cuticura Talcum is dusted on at the finish. 25c each everywhere.—Adv.

Tact.
Tact consists in saying things that people like to listen to and of listening to things that people like to say.—Youth's Companion.

Wages Successful War on Pest.
The worst enemy of the grape growers in California is a minute insect called the "thunder fly," because it appears in greatest numbers in hot and sultry weather, when thunder storms are frequent. A man out there has invented a suction apparatus, with a ten-horsepower blower, that is placed on wheels and driven through the vineyards, harvesting the pests from the vines as it goes along. It is said to work very successfully.

Biding Her Time.
Florence was visiting her grandmother and maiden aunt. The former was indulgent, while the latter was inclined to be severe. One day while grandma had gone shopping, Florence was left to the mercies of her aunt, to whom it appeared she was unusually naughty. Upon being told that she would get spanked if she did not behave, she looked up at aunt and with tears in her voice, said: "I'm going to cry when my grandma comes back."

Depends on the Style.
Parker—"Is your wife a woman to look forward to something to worry about?" Tucker—"Yes, yes, indeed, she is—if it is in style."—Judge.

Whenever there is a tendency to constipation, sick-headache or biliousness, take a cup of Garfield Tea. All druggists. Adv.

Tennis an Old Game.
Tennis was played as early as the twelfth century.

Pure blood is essential to Good Health. Garfield Tea dispels impurities, cleanses the system and eradicates disease. Adv.

The Inspired Composer.
From a Divorce Report—She claims that marriage is nothing but a delusion and a snore.—Boston Transcript.

Laugh When People Step On Your Feet
Try this yourself then pass it along to others. It works!

Ouch ! ! ! ! ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezone when applied to a tender, aching corn or hardened callous stops soreness at once, and soon the corn or callous dries up and lifts right off without pain.

He says freezone dries immediately and never inflames or even irritates the surrounding skin. A small bottle of freezone will cost very little at any drug store, but will positively remove every hard or soft corn or callous from one's feet. Millions of America's women will welcome this announcement, since the inauguration of the high heel.

If your druggist doesn't have freezone tell him to order a small bottle for you.—Adv.
