BUENA VISTA GIRL DIES AT MC MINNVILLE

The death of Miss Alice Moe of Buena Vista, occurred at the home of her brother, Ernest Moe, at McMinville last Sunday. The body was brought here Monday and burial took place in the I. O. O. F. cemetery where short but impressive services were held. The floral offerings of affection and esteem were unusually profuse. Alice was a lovely girl. To know her was to love her. She was bright in her school work where she will be greatly missed. She was in her second year in high school and was very anxious to get well in order to finish her work. She had been ill for several months. The family has the sympathy of the entire community. Residing here only two years, this is the second death in the family, the girl's mother dying just 18 months ago. In addition to her father, William Moe, the girl is survived by two brothers, Wayne at home and Ernest at McMinville, three sisters, one in Iowa, another in Idaho and Miss Thelma Moe at home.

BUENA VISTA

Lost, Strayed or Stolen

Missing—Last Sunday some families from the Baptist church.

Stolen—Several hours from the Lord's Day by a number of people of different ages, dressed in their Sunday clothes.

Strayed—Half a score of lambs believed to have gone in the direction of "No Sunday School."

Wanted—Several young people. When last seen were walking in pairs up "Sabbath Breaker's Lane" which leads to the "City of No Good."

Lost—A lad carefully reared not long from home and for a time very promising. Supposed to have gone with one or two older companions to Prodigal town, Husk Lane. Any person assisting in the recovery of the above shall in no wise lose his reward by directing them to the Baptist church where the gospel of Jesus Christ is preached and believed.

Western hemlock and spruce are the standard mechanical and sulphite pulpwoods for the United States mills in the Pacific Northwest, the hemlock being consumed in greater amounts than any other single species. Hemlock forms 60 per cent of the merchantable stand of timber on the Tongass National Forest, Alaska.

The Enterprise is still \$1.50 a year.
