Lives of Great Men All Remind Us

Andrew Carnegie, Scotch by birth, was a poor boy when he made his first deposit of five dollars!

In twenty years that five dollars had grown to many millions due to honesty of purpose and hard work—but no doubt that initial deposit had a tangible effect in his success.

The important thing is to get started—START a savings account today and it will account for your success later!

Parker

Postmaster A. B. Lacey met with an accident last Thursday which has placed him on the shelf for several days. While helping Ernest Zielesch thresh, he fell, striking his head with sufficient force to render him unconscious for some little time, and his hand and arm were quite badly burned by coming in contact with a belt. Dr. Hanson of Independence was summoned, and "Dad" is slowly recuperating.

The Parker Co-operative Threshing company has started operations with P. J. Peterson again officiating as the "big noise." This week threshing has been under way at G. A. and H. N. Dickinson's, L. W. Fuller's, C. W. Sparks and Ed Veith's.

Mrs. A. G. Williams and daughter of Independence, are visiting at the Charles Sparks home for a few days.

George and Henry Dickinson, accompanied by their families, picniced at Waterloo last Sunday. Others joining the gathering were William Woods and wife and Mr. and Mrs. John Dickinson of Independence.

Oscar Schirmer of Portland is here helping his brother-in-law, Ernest Zielesch, during the threshing season.

Mrs. Blanchard and two children of Guy Peterson's of Portland, are visiting at the P. T. Peterson home.

The wheat average is heavy this season and the yield on the whole appears to be good.

Everybody is busy these days. Help is scarce and burning daylight is quite the order.
