In The Churches

M. E. Church

Mother's day services at the M. E. church last Sunday were well attended. In song and story a tribute was paid to our mother's love and influence. The lessons taught were wholesome and impressive. The sermon at the preaching hour was on the influence of women in the world and in the training of their children for service. The congregation was large, as was also the attendance in the Sunday school, it being beyond the 100 mark.

The union services in the evening were largely attended and the address of the Rev. W. J. Herwig was listened to with rapt attention. One feature of the day was the singing of an original hymn, “Our Mothers” composed by H. Underhill. It was well received.

Services next Sunday will be as follows:

Sunday school at 10 a. m.
Epworth League at 7 p. m.
Preaching service at 8 p. m.
Prayer meeting and Bible study every Wednesday evening at 7:30.
Ladies' Aid society meets in the church parlors every Thursday afternoon.
The Rev. A. L. Howarth D. D. will preach here on Sunday morning, May 22, 1921. Please note. All are cordially invited to the above services. You will find a welcome.
F. S. Clemon, Pastor.

Baptist Church Notes

The revival spirit is still going on at the Baptist church. Though Dr. Reid is gone, large crowds are attending. Our Sunday school meets at 10 a. m. Mrs. Walker, superintendent. A class and a teacher for all ages. At 11 a. m. Rev. Proppe preaches one of those sermons you will want to hear, the topic is “Builders and Building.”

The young peoples society meets at 7 p. m. This is a good place to meet fine young people. At 8 p. m. Rev. Proppe preaches again.

Baptist Social and Supper

Next Wednesday evening, May 18, there will be a big social and business meeting at the Baptist church. A big supper will be served at 6:45 p. m. This is another one of those much enjoyed Baptist mixers to which so many of us have been looking forward to. Come out Sunday and hear more about it. Begin now and plan to be there.
