Oregon General News Notes

McMinnville's new Rotary club has received its new charter.

Redmond will join with Bend in celebrating the Fourth of July this year.

Salem Cherrians have voted to attend the Portland Rose Festival in a body.

Corvallis will have a new \$50,000 general hospital according to plans of physicians and business men.

Brownsville has voted a bond issue of \$25,000 to purchase the plant that supplies that city with water.

The Hessian fly, said to be the worst grain pest that has appeared in Oregon, has been found in Lane county.

The postoffice clerks, rural carriers and city carriers of the state will hold their separate conventions in Eugene, June 25.

More than 200,000 pounds of spinach grown in Wasco county has been destroyed by the flood waters of the Columbia river.

An award has been given to a Portland firm for the erection of a new two-story grade school at Hood River to cost \$27,511.

Professor S. M. Babcock, principal of the Prineville grade schools, and all teachers under him have been retained for next year.

E. B. Hughes, funeral director of Astoria, was named by Governor Ocott a member of the state embalmers' examining board.

A survey of the prune crop in the principal counties of the state indicates that Douglas will be the banner prune section this year.

Growers representing 32 acres of strawberries adjacent to Oregon City agreed to pool their products and to stand together for a fair price.

An Oregon Products exposition under the auspices of the Astoria Chamber of Commerce and Ad club will be held at that city July 14, 15 and 16.

Salem plumbers have announced a donation of two free shower baths for the Salem automobile tourist camping grounds, one for men and one for women.

According to action taken by Umpqua post of the American legion, the Hanna field south of Roseburg will be leased and fitted up for an aviation landing field.

The proprietors of three restaurants and one hotel in Eugene were fined sums ranging from \$10 to \$20 each for serving milk not up to the standard provided by law.

Mrs. Edna C. Brown of La Grande was elected president of the Oregon chapter of the P. E. O. Sisterhood at the tenth annual convention held in Woodburn.

C. C. Page was appointed by the state industrial accident commission to have charge of the collection of all claims of this department that necessitate litigation.

No referendums on any state-wide measures passed at the 1921 session of the legislature had been filed with the secretary of state when the time for such action expired.

Punch boards are lotteries under the Oregon statutes, according to an opinion by Attorney General Van Winkle for the information of Robert D. Lytle, district attorney for Malheur county.

The Tillamook Consolidated Industries, with a capital of \$100,000, has been organized at Wheeler in Tillamook county to handle dairy products and preserve fruits, vegetables and sea foods.

Certification of \$75,000 in bonds of the Grants Pass Irrigation district and \$125,000 in bonds of the Willamette Valley Improvement district was approved by the state irrigation securities commission.

Lower insurance rates under the Workmen's compensation act were denied employers engaged in lumber operations in eastern Oregon in an order issued by the state industrial accident commission.

Robert Dillard, post commander of the Marshfield American legion body, on behalf of the post, presented a fully equipped children's playground to the city of Marshfield. The apparatus cost about \$1000.

As a result of the heavy rains of the past month, Silver lake in Deschutes county, dry for years, has four feet of water and settlers, who homesteaded the flat only a few years ago, have been driven from their homes.

The case brought by Colonel E. Hofer of Salem against John Carson, district attorney of Marion county, to test the validity of the state law imposing a license on dogs, was appealed to the Oregon supreme court for final determination. Hofer alleged that dogs were personal property and as such were subject to being placed on the tax rolls. As a result, he contended that the state law imposing a license on dogs was equivalent to double taxation.

Under an act of the 1921 legislature, State Treasurer Hoff has turned over to the clerk of the state land board, G. G. Brown, securities in which the state irreducible school fund are invested, aggregating between \$6,000,000 and \$7,000,000.

Commercial and civic organizations of the state, headed by the Portland Chamber of Commerce, are preparing to make a concerted drive to bring the battleship Oregon to the Willamette river as a training ship for the Oregon naval reserves.

Nine persons were injured, one fatally, when an automobile stage en route to Grants Pass from Klamath Falls struck a cow and upset in a ditch three miles east of the Grants Pass city limits on the Medford road.

Reductions aggregating an annual saving of approximately \$300,000 to gas customers of the Portland Gas & Coke company will be made effective June 6 through an order issued by the Oregon public service commission.

Edgar B. Piper, editor of The Oregonian, will deliver the commencement address at the university of Oregon June 30. Commencement will be celebrated this year by a reunion of the class of 1896, which will be its 25th anniversary.

The schools of Sherman county rank first in efficiency in a comparison of educational and financial factors covering a period of six years, compiled by J. A. Churchill, state superintendent of public instruction. Multnomah county ranks second and Morrow third.

Sheriff Terrill of Jackson county, in a public statement, demanded that Dr. E. J. Bulgin, who is holding evangelistic meetings in Medford be called before the grand jury and give evidence to support his recent charges that Jackson county has a "no-account" sheriff.

The Newberg Berrians, comprising 50 representative business men of Newberg and berry raisers of the surrounding territory has been organized. The organization is formed primarily to give publicity to Newberg and advertise its possibilities from the standpoint of general farming and berry growing.

The opening of a permanent office by the state legion convention committee for the purpose of handling the immense amount of business and arrangements to be made for the American Legion state convention, which convenes in Eugene on July 1 and 2, was authorized at the meeting of the executive committee of Lane county post No. 3.

Because a reorganization of the Crook county bank, which failed at Prineville several months ago, offered difficulty and did not appear to be feasible, Frank C. Bramwell, state superintendent of banks, issued a charter for the new Bank of Prineville, which will open for business about June 1. The old bank suspended business December 27, last.

At the annual meeting in Canyon City Enterprise was successful in securing the convention of the cattle and horse raisers' association for next year. William Pollman of Baker, was re-elected president over his vigorous protest; Fred Phillips of Baker, first vice president; George Russell, Prineville, second vice president; William Duby, treasurer, and S. O. Correll, secretary, both of Baker, were unanimously re-elected.

A pipe won't burn your tongue if you smoke P.A.!

Get that pipe-party-bee buzzing in your smoke-section! Know for a fact what a joy 'us jimmy pipe can and will do for your peace and content! Just check up the men in all walks of life you meet daily who certainly get top sport out of their pipes—all aglow with fragrant, delightful, friendly Prince Albert!

And, you can wager your week's wad that Prince Albert's quality and flavor and coolness—and its freedom from bite and parch (cut out by our exclusive patented process)—will ring up records in your little old smokometer the likes of which you never before could believe possible!

You don't get tired of a pipe when it's packed with Prince Albert! Paste that in your hat!

And, just between ourselves! Ever dip into the sport of rolling 'em? Get some Prince Albert and the makin's papers—quick—and cash in on a cigarette that will prove a revelation!

PRINCE ALBERT the national joy smoke

FOR IS TURNING OUT 4000 CARS EVERY WORKING DAY

Ford is building cars at full speed. And, according to an official statement from the factory at Detroit, the demand for Ford cars and trucks still exceeds the output, despite the fact that a new high level of production has been reached.

By the first of May the figures representing daily production were in the neighborhood of 4000 a day, so the May schedule was set at 101,125 cars and trucks, not including the output of the Ford Canadian plant or any of the foreign assembling plants. The output mounted daily; May 12th brought forth 4092, the greatest number that have been produced in one day so far this year. Since the month has 25 working days, present indications point to a new high record.

A comparison of Ford production figures for 1920 and 1921 discloses the fact that for April, 1921, the output was greater by 34,514 than for the corresponding month of a year ago. The output for May, 1921, will probably overshadow May, 1920, by between fifteen and twenty thousand cars and trucks.

Approximately 43,000 men are at work in the Detroit plant of the Ford Motor company. The factory is operating on full time, six days a week

and three shifts a day. "We were never in a better condition than we are right now," said Henry Ford recently.

FARM POINTERS FROM O. A. C. EXPERIMENT STATION

The rose mildew can be stopped with the finest grade of dusting sulfur.

Cherry and prune growers who noticed any leaf spot last year should spray promptly with bordeaux 4-4-50, and repeat in one month.

Apple scab and mildew should be sprayed for in western Oregon 15 days after the petals have dropped. Lime sulfur—1 to 50—or dry lime sulfur, eight pounds to 100 gallons of water should be thoroughly applied. Prune off mildewed twig tips.

The livestock disease known as hemorrhagic septicemia is likely to break out at this time of year and again in the fall. If an outbreak is properly diagnosed and the animals vaccinated the disease can be stopped and in many cases the sick animals will recover. The animals should be vaccinated with the living attenuated vaccines, which may be had on application to the bacteriological department at O. A. C. The use of these vaccines has given excellent results in nearly all cases.

Apple aphids are becoming serious

in some sections. In case many are seen on the fruit spurs the trees should be sprayed with black leaf 40, one and a third pints to 200 gallons of water. The application should be made with a spray gun having from 250 to 300 pounds pressure in order to drive the spray into the curled leaves.

The black leaf 40 may be applied with the "10 day" apple spray or it may be put on by itself.

POLK COUNTY FARMERS WANT GOVERNMENT LOANS

Dallas—F. J. Ulrich of Airlie, who is the appraiser for the federal land loan board in Polk county, was in Dallas last Friday for a short time. Mr. Ulrich says that the applications for federal loans are quite numerous at the present time, and that he has reported on, or has in his possession a total of 22 applications within the past six weeks. For some time the federal banks were not making loans, as the case was being tried in the supreme court as to the constitutionality of the federal loans. E. K. Piasecki is secretary of the federal loan board in Polk county, and is now in a position to offer loans to farmers desiring to make applications.

The Enterprise is still \$1.50 a year

Which are you?

Is your kitchen uncomfortably warm—and does it require constant effort to keep it clean and tidy?

Or are you one of the thousands of happy women who delight to work in a cool, shining kitchen—with a good oil cookstove?

A good oil cookstove is easy to operate—brings a steady intense heat concentrated directly on the cooking.

For best results use Pearl Oil—the clean economical kerosene that is refined and re-refined by a special process.

Sold by dealers everywhere. Order by name—Pearl Oil.
