170,000 Now In Use

Built with over strength in every part; built to withstand the constant strain of heavy duty; tested out under every condition of farm and belt work, and put to actual test by 170,000 owners during the past three years—the Fordson Tractor has lived up to every claim made for it.

No matter what the farm task—whether plowing, disking, harrowing, threshing, baling hay, grinding feed, pumping water, sawing wood, pulling stumps, filling silos, or any of the many jobs around the farm, the Fordson will not only do and do well, but quicker, easier and at less expense.

There are so many different time and money saving ways in which the Fordson can be used that you owe it to yourself to get the facts. Come in and see the Fordson, or write or phone for the information.
