HAVE BIG DAY

Program for Armistice Day Will Be An Attractive One

Armistice day-November 11-will be joyously proclaimed in Independence, with the American Legion in charge of the festivities. It is to be made a big event, with the expectation that the balance of Polk county will participate. The first gun was fired by the selection of A. L. Keeney to direct the event.

While the program has only been tentatively outlined, it will include entertairing numbers at Monmouth during the forenoon, a program at the high school gymnasium in the afternoon, a 5 o'clock dinner and a darre in the evening. Musical numbers will be a feature and negotiations are now underway for a band, preferably the ladies' organization from Graves cannery at Sheridan.

A tentative draft of a budget for of the city council Wednesday eve-The Junior class of the Normal ning, in which six taxpayers assisted

The rate, as adopted in the tentative budget, calls for a levy of 20 mills, which is approximately the same as last year. There is an increase for some of the funds and a decrease in others, although there would be scarcely no change in the total amount of money to be raised. It provided for \$400 for the library fund instead of \$240 and decreases some of the intersection fund levies.

According to the new law, a budget has to be prepared by the council assisted by six freeholders, and then after being published for two weeks it is submitted to a general meeting of the people for approval with any changes deemed necessary.

GERALD HEWETT CLIMBS FLAGPOLE AT O. A. C.

Oregon Agricultural College, Corvallis-Gerald (Rook) Hewett of Independence represented the freshman class Saturday morning by climbing the steel flagpole and bringing down the rook flag with the numerals '25 tied near the top by some of his classmates. Hewett is the lightweight of his class, weighing only 96 pounds. He made the 60-foot climb with no hesitation, and asked the vigilance committee for a piece of the flag for his reward. His request was granted.
