Washington. - The question of a at out the details. Without his three or four-power agreement to rewit would have been difficult place the Anglo-Japanese alliance is demanding increased attention among arms delegates while they wait for Japan to define her position on the

naval ratio. The latest suggestion contemplating an entente to include United States, Great Britain, Japan and France, has developed to the point where a tentative treaty draft is under consideration in some quarters although it has not been formally presented to the conference.

On the part of the American government there apparently is no disposition to entertain an entente proposal, at least at present.

Non-Partisans Seek Washington State. Spokane, Wash .-- The state of Wash ington has been selected as the next political battlefield of the National Non-Partisan league, it was announced here by E. C. Dorman, national organization manager.

At no time in the history of the mercantile business, in spite of the fact that all lines of men's clothing and wearing apparel cannot be produced cheaper and with wool and cotton advancing there is no prospect for any permanent decline, there has never been such an irresistible pressure for low priced goods. Producers of all kinds are raising their products and selling them for cost and in many instances for less than cost. Many men are out of work and many are working at reduced wages. Inasmuch as such conditions exist, the Salem Woolen Mills Store believes that it should take its losses along with its many patrons and with this in view the management has selected the essentil articles in men's wear such as Men's Suits, Boys' Suits, Wool Shirts, Khaki Pants, Overalls, Sweaters and Shoes and has reduced the prices to meet the demand for pre-war prices. These goods are not selected from job stuff for a special mark off but are from our regular stock.

MEN'S SUITS

These Men's Suits that we are offering are made of Oregon wool by our local mills and the Eugene mills and are what are commercially called all wool. They cost from \$15.50 to \$16.50. We have priced them at \$17.50. These Oregon made fabrics are sure to please.

## BOYS' SUITS

These Boys' Suits are made out of the same suitings and of the same quality as the men's. Prices are \$7.50, \$7.75, \$8.00, \$8.25 and \$8.50. These are sold at exactly 25c above the manufacturer's price.

### SHIRTS

Our own make, absolute Virgin Wool Shirts. Everyone knows of our O. D. Flannel Shirts. No shirt is made that gives better satisfaction. Sold last year at \$6.00, war tax additional. This year we have two lots at \$4.00 and \$5.00, war tax additional.

## KHAKI PANTS

Two lines, one bought to sell at \$2.50 and \$3.00. If bought at the present market they would have to be sold at \$3.00 and \$3.50. . Our price is \$1.75 and \$2.25.

# WHIP-CORD **RIDING PANTS**

Former price \$5.00. New price \$3.75 with double knee and seat.

# BOYS' SWEATERS

Former price \$5 to \$5.50. New price \$3.75.

## MEN'S OVERALLS

Bishop Special - a standard overall made for us. About 5000 pairs have been sold from this store in the last eight years with only three complaints. \$1.00 a pair for regular sizes.

# MEN'S SHOES

If there is one thing more than another that the price of has been complained about it is shoes. After weeks of careful investigations we have accomplished something in the way of a quality shoe at a price that will regulate the price of shoes for some time. This shoe is made under our own specifications and is known as Bishop Special. The price is \$5.00.
