WHITNEY CHORUS ORGANIZED; H. R. UNDERHILL IN CHARGE

Mr. Whitney, head of the Whitney boys' chorus, paid a visit to the high school Friday afternoon. His object was to organize a branch of the chorus in Independence. In his speech he told how the chorus was first started and some of its work. He also gave us an idea of the plans for the 1925 fair. He expects to organize boys of the western states and assemble them at Portland for the fair. These boys will number about twenty thousand and will live in a tent during the fair.

A meeting was held Friday even-

ing with about 40 boys present. Mr. Whitney with the help of H. R. Underhill and Mrs. Claire Irvine, tested the boys on their ability to sing. They sang a few songs and afterwards he got as many as he could to join. From now on Mr. Underhill will have charge of the chorus in Independence. Any member who can get a boy to join will be given five cents of the dues. At present there are about 25 belonging. It is hoped that others will join.

GIRLS PLAY PRACTICE GAME

A practice game was played between the high school girls and public school girls Friday evening. Just for fun the H. S. girls made the score 15 to 3.

ALBANY TRIMS LOCAL BOYS IN HIGH SCHOOL SCRIMMAGE

On Friday night, Jan. 6th, the I. H. S. team met Albany and the result was a score of 11 to 26 in favor of the visitors. The Albany boys were fast and fairly good shots. Albany scored first with a field basket, Independence following with a foul and a field basket. The first eight or nine points were strongly contested until finally Albany broke away in the last half and piled up the score which spelled defeat for the local boys.

The lineup was: Manley Burright and Delos Eldridge, forwards; Dean Craven and Jim Stapleton, guards; Joe Smiley, center. In the last half Clemo was substituted for Stapleton, Baker took Eldridge's place and Dean Craven jumping center and Smiley playing guard.

The student body was very well represented, at least it seemed that way because of the noise they were making. Between halves a serpentine was formed and a few yells were given.

AND THE PENALTIES OF LADY "NICK" ARE MANY

That which was considered a friendly contest was held between several Freshie boys and the forces of Tobacco Friday noon. The freshmen boys generally think that they are "it", and that all must bend or give way before them. Some of the boys got wise to the fact that it was better to leave off with the game near the first. One boy would not acknowledge defeat with his opponent, Nicotine, and swallowed all. Just after school had taken up for the afternoon session, the same victor (?) was excused to go home because of the effect Nicotine had on his physical being.
