### SERVED IN ARMY TWO YEARS; POSTED AS A DESERTER

In the publication of the names of alleged deserters from the military service of the United States, a very grave injustice has been done to one Independence young man who served his country and faithfully for two years. He is Leroy Stalnacker.

He registered for service and subsequently enlisted at San Francisco, serving for two years in the Philippine islands and Siberia, and at the termination of hostilities, receiving an honorable discharge.

Repeated efforts have been made to have the matter straightened out on the records of the war department, but still his name is included in the list which is released for publication today. Months ago, Independence Post of the American Legion, wired Washington the circumstances in connection with the Stalnacker case, but the government red tape is so complicated, no action in righting the wrong is in evidence.

### PRESIDENT LANDERS VISITS TRAINING SCHOOL HERE

Presented by Mr. Gentle, President Landers responded happily, touching briefly on school matters and alluding to the accomplishment of the association in school work.

The association netted approximately \$75 from a recent food sale, the money to be used in carrying out plans deemed essential for the welfare of the pupils.

### Oregon Normal

Singing their class song and flaunting their colors, the members of the Junior class made their first appearance as a class in an enthusiastic display at the chapel hour January 6. A clever stunt under the direction of Miss Barbara Hixson was given to announce the victory of the Junior men in basketball. Class spirit was then laid aside and the seniors joined the juniors in a group of school songs as a send-off for the Normal basketball team which played in McMinnville on the evening of January 6.

Having reached senior rating, Mrs. Beulah Bovingdon, president of the Junior class, resigned her office at a recent class meeting and Miss Dorothy Taylor of Salem was elected to fill the position. Miss Taylor was formerly class secretary, so Miss Muriel LaSponce was elected as secretary for the remainder of the school year.

President Landers addressed the Parent-Teacher association of Independence on Tuesday afternoon.

Miss Records, Miss Godbold and Miss Syp attended the Schuman-Heink concert in Portland on Monday evening.

Prindle; council members, Naomi Hagenson, Dorothy Blake and Bessie Anderson.

A dancing party will be given in the gymnasium Saturday evening, January 14. Local friends of the Normal are invited to attend.

The literary societies will initiate their new members on Friday evening. The regular program given by the Vesperettes will be presented Monday evening, January 16, at 7:30. So many students are planning to attend the concert by Madame Schuman-Heink at Corvallis on Friday evening

that the change in the program seems advisable. The collection of posters on exhibition last week in the model library has been sent to the State library at Salem. The posters are to be used there, or sent out further to the county libraries with specially selected groups of books, for which they will serve as advertisement. These posters are the work of the Art department. Their great value, aside from the effectiveness of size color, lies in the extreme simplicity of construction. Anyone with a little ingenuity and patience can make them. The pictures are cut from magazines or advertisements and properly mounted. The lettering is direct, adequate and simple, telling in few words with what subject the group of books deals. This collection is the property of the Normal and will be returned. There is a plan on foot to make a complete set of such posters for school libraries, to be exhibited at the county institutes next fall. The purpose is to show teachers how they may, with materials always at hand, attract the attention, not only of the students in school, but also of the reading public to books on special subjects, which every school library, selected of necessity from the state lists, must contain.
