of Fill, Burns Midday Court Holds Grading Contracts Are Hegal

Judge Percy R. Kelley of the Marion-Linn circuit court, in a decision just handed down, upholds the conof small tools. A small insurance tention of the plaintiffs that the contracts entered into between the Polk county court and the state highway commission for grading the highway from Monmouth south that prevented the residence of Jack and from Rickreall to Holmes' Gap are illegal, and he Abbott, a short distance away, from issues a restraining order to prevent County Clerk Moore spending the week with her uncle, couple have brought sons and daughter the state of the world all of whom are being destroyed. The fire depart- drawing warrants for such purposes and County Teasurer Snyder from the payment of such warrants.

Contractors Trent and Hildburn are also restrained water turned on, and efforts were from prosecuting any work under these contracts.

On the 14th of May, 1921, Polk county made contracts with the state highway commission, whereby the county agreed to turn over to the commission \$43,000 of the market road fund to be used grading the highway south from Monmouth. By another contract, the county assumed an indebtedness of \$118,000 for grading the highway from Rickreall to Holmes Gap.

Judge Kelley in his conclusions says:

Memorial day was fittingly ob- be sustained. Clearly, it is an at- promulgate; but ought not to purpose to be administered by a spec-
