## Farmers' Fire Relief Ass'n of Butteville, Oregon

This Farmers' Association Is Not Run for Profit.

All losses paid as soon as adjusted. Satisfied insurers is the best advertisement we can have. We are able to pay all losses that may occur.

The Association being purely a FARMERS' MUTUAL insurance company we accept no city risks, hence our losses when they occur are single and we cannot suffer loss by a town conflagration, so disastrous often to companies writing on all classes of risks.

We have only two classes of risks. 1st class—dwelling and contents; 2nd class, barn and contents, churches and contents, school houses and contents, and halls. We do not invite hazardous and unsafe risks by having a number of classes and different rates. Our two classes cover the best in insurance and only the best is taken.

We write insurance only in the Willamette valley so that every risk is practically under the eyes of the officers of the Association.

Rates—25 cents per \$100 for First Class; 30 cents per \$100 for second class.

## In The Churches

**M. E. Church**

The W. F. M. S. meeting last Friday afternoon held in the M. E. church was a success. A fine program was rendered by the young people of the church and Sunday school, including vocal and instrumental music, and a playlet portraying a street scene in India. Mrs. C. E. Powell of Salem, gave an illuminating address on the life and customs of the people of India among whom she labored as a missionary. Tea was served in the parlors of the church which was beautifully decorated for the occasion. This society meets the first Friday of each month.

On Monday evening, June 5th a grand concert under the direction of Mrs. J. G. McIntosh, was given in the church, consisting of vocal and instrumental music.
