BUENA VISTA ITEMS DURING PAST WEEK

W. R. Bevens, wife and little son Dean, of Portland, were here with friends last week and attended the funeral of the late Mrs. Amos Holman of Dallas. Brief funeral services were held at the I. O. O. F. cemetery Friday afternoon and a large number of friends gathered to pay their last respects to a good neighbor and friend. The traits of joyfulness and good cheer she always showed for her family and friends is the one that will endure with them so long as time shall last and constitute their most pleasant memory as she had spent almost her entire life here and was greatly loved.

Mrs. Carl Stanley of Gresham, Ore., has joined her husband here. He has employment at the Edgar Lichty place.

Mrs. E. J. Anderson left Sunday for a week's stay with her daughter, Mrs. Martin Congor and E. B. Gobat home near Suver.

Mesdames, N. C. and E. J. Anderson were among the Albany shoppers Friday.

Miss Buelah Baylee of Salem is here visiting Miss Etta Wells.

Mr. and Mrs. Scott Leonard and daughters Louise and Helen of Portland, passed the weekend with friends here. They were former residents here and their pleasant "How-do-you-do" is greeted by hosts of friends, who are always pleased to have them back.

PLANS FOR COUNTY FAIR ARE BEING MADE

If all the plans that are now being made materialize the Polk county fair to be held in Dallas on October 5, 6 and 7 will be the biggest and best that has ever been held in the county.

Outside of the exhibits and displays the main feature will be a round-up of which assurances have been given that it will be held. This in itself will draw a large number of people to this city.

H. S. Butz, president of the county fair board; C. C. Gardner, vice president; Mrs. Robert Sachler, secretary; W. L. Soehren, general superintendent, and W. V. Fuller, comprising the fair board, held a meeting in the Commercial club rooms Saturday morning and before adjournment had transacted a considerable business.

The principal matter brought up was the booking of various attractions. A contract will in all probability be signed with the Browning Amusement company and the Hoyts, both of Salem. These two companies present varied forms of entertainment and will help to increase the attendance during the three days in which the fair will be held. The features of entertainment will be in the hands of H. L. Fenton and W. L. Soehren. Hallie Parrish Hinges of Salem will be engaged to sing for at least two days out of the three. It is planned to have a number of noted speakers deliver addresses.

Clothed in full war costume about 100 Indians will be camped at the grounds under the leadership of Chief Johnnie Williams. The dances that they will furnish will be a whole entertainment in itself.
